

Frozen Frenzy - Advancements

Thank you very much to everyone who attended the Frozen Frenzy FTC Qualifier today. We're very sorry about not announcing advancements at the tournament due to technical difficulties, so we're making sure to get this out to all the teams tonight. Congratulations to everyone who earned a berth to the Wisconsin FIRST Tech Challenge Championship on March 11th. We are fortunate to have some amazing teams in Wisconsin, and to all the amazing teams that didn't punch their ticket this year, please remind all the students about everything they learned and the fun this season. And thank you for mentoring FTC and helping to make the next generation even better!
