

# CHECK LIST- APPOINTMENT

## Information you will need to BRING to your appointment:

Please be sure you have the following when you arrive at your scheduled appointment:

- ☐ Your valid photo ID (passport, driver's license, school ID- most government
- ☐ IDs will work!)
- ☐ Insurance card(s) (if you have one)

Current list of all medications you are taking (include prescription and over-the-counter meds such as aspirin, vitamins, dietary supplements, etc.

- ☐ along with the dosage and frequency they are taken)
- ☐ List of any medication allergies

Your pharmacy's name (if you have one)

Many offices have a **patient portal**, where you can fill out forms in advance, check your billing and insurance info, and keep on top of your appointments and what you might have to pay. If your dentist's webpage doesn't have a link, feel free to ask the scheduler if there's a portal for patients when you are making your appointment!
