

Pen Pal Activity - Communication in the World of Education

Group 2 - English & Social Studies

Directions: In the left column generate an idea that would increase communication within the learning environment. You will be responding to a peer's post in the right column expanding on their idea and how it could be implemented successfully to increase communication within the learning environment. You are more than welcome to insert more than two ideas in the left column as well as generate more than two responses to your peers' ideas, however you are REQUIRED to provide two ideas and two responses at the minimum.

[illegible]
