

OTAPF Meeting Agenda Items - President

Welcome our new Staff Representative - Chelsea Van Werden

Reminder for current members to please update preferred contact information, and confirm and note second/shadow/mentor positions and note roles in the contact list - If you want to update your bio, picture or other, please let me know. If anyone can take on creating an About You for the foundation board members that might really help in getting these updated going forward, any takers? Maybe a task our webmaster can take on with our communications coordinator.
