

Post-FACTivism Reflection Questions

- How do you think things went? Did everything go as expected?
- How did people respond to the FACTivism?
- Did the messaging of this FACTivism seem to be effective? Did the audience seem to learn what you hoped they would?
- If you were to do this FACTivism again, what would you do differently next time?
- What else would you like to learn about this issue?
- What did you learn from this experience that could be applied to future FACTivisms?
- Has this experience inspired any new ideas for future FACTivisms?
