

Rock Builder Community Guidance!

What is Rock Builder Community

- Rock Builder is the gathering place for all \$Rock Holders who wish to deepen their involvement in RockDAO alongside the team
- It also serves as the designation for members who hold a specific quantity of Rocks, empowering them to participate in RockDAO decision-making
- Within Rock Builder, as a \$Rock Holder, you hold a pivotal role as a key player closely aligned with RockDAO's plans, where all your ideas are considered for implementation in every RockDAO initiative

Eligibility for maintaining Rock Builder Community status

- Token Threshold: Must hold a minimum number of 200,000 \$ROCK tokens to qualify for ROCK BUILDER status
- Eligibility to maintain in rock builder, users have to maintain their Rock Token Holder status without selling it
- Anyone found selling \$Rock tokens will face disqualification from the Rock Builder community, resulting in the immediate withdrawal of their Rock Builder role and will be unable to receive the latest updates from Rock Builder.

How to join

Once you have all the requirements above to be eligible for our Rock Builder Community, you may follow the steps below:

- Fill up our Application Form: <https://forms.gle/Fc6ZkrPZbgp1DnLA6>
