

Emergency Vehicle Operations Course

June 2025 Training

Reference:

NFPA 1002 - 4.3.1, 4.3.2, 4.3.3, 4.3.4, 4.3.5 - 2017 Edition

Purpose:

- 1) To ensure community and firefighter safety while operating Euclid Fire Department vehicles and apparatus for both emergency and non-emergency operations.

Location:

The driving portion of EVOC training will be conducted at Old YMCA parking lot.

Tools/Equipment/Vehicles

- 1) All fire and EMS apparatus

Objectives:

- 1) Review the Euclid FD EVOC PowerPoint. This ppt highlights our SOG's regarding driving operations.
- 2) Attend 1 day of the practical driving portion with Capt. Caimi and Lt. Mann
 - a) June 17th - A Shift
 - b) June 18th - B Shift
 - c) June 19th - C Shift

Documentation:

- 1) After viewing PowerPoint with your crew, complete a First Due training report.
- 2) The driving practical will be entered into First Due as a training report by the training officer.
