

Pennsylvania Avenue School

Mission, Vision and Collective Commitments

Mission:

The mission of the Pennsylvania Avenue School is to provide students with a safe learning environment in which they will receive quality educational experiences that will prepare them for academic success and facilitate them into becoming productive members of society. The goals of Pennsylvania Avenue School will be accomplished through collaborative partnerships involving students, parents, staff, community organizations, and institutions of higher learning. Our mission ensures effective, engaging and empowering instruction for every student.

Vision:

To ensure that all students receive a quality education within a safe environment. It is our expectation that every child will grow academically and socially to the best of their individual ability. It is our belief that with the commitment from our staff, students, parents, and community, we can provide a positive school experience for all.

Collective Commitments:

- Provide a supportive school atmosphere where everyone feels emotionally, physically, and intellectually safe while acting with integrity, respect, and honesty.
- Provide differentiated instruction that incorporates conceptual, inquiry, and research-based practices, as well as real world learning at student's instructional level based on data from various and balanced assessments and to monitor students' progress towards intended curricular outcomes.
- Be positive contributing members of the school-wide team as we work interdependently using common language to achieve shared goals and demonstrate mutual accountability.
- Be proactive to collaborate with and involve parents in the education of their children by communicating student progress and providing a support system for students.
