

Song #1 - Giants in the Sky

There are Giants in the sky!

There are big tall terrible Giants in the sky!

When you're way up high and you look below at the world you left and the things you know,

Little more than a glance is enough to show you just how small you are.

When you're way up high and you're on your own in a world like none that you've ever known,

Where the sky is lead and the earth is stone,

You're free to do whatever pleases you,

Exploring things you'd never dare 'cause you don't care,

When suddenly there's a big tall terrible Giant at the door.

Song #2 - Agony

Did I abuse her or show her disdain?

Why does she run from me?

If I should lose her, how shall I regain the heart she has won from me?

Agony! Beyond power of speech,

When the one thing you want

Is the only thing out of your reach.

Song #3 - I know Things Now

Mother said, "Straight ahead!"
Not to delay or be misled...
I should have heeded her advice...
But he seemed so nice.
And he showed me things, many beautiful things,
That I hadn't thought to explore.
They were off my path, so I never had dared.
I had been so careful I never had cared.
And he made me feel excited- well, excited and scared.

Song #4 - On the Steps of the Palace

Then from out of the blue,
And without any guide,
You know what your decision is,
Which is not to decide.
You'll just leave him a clue:
For example, a shoe.
And then see what he'll do.
Now it's he and not you who is stuck with a shoe,
In a stew, in the goo,
And you've learned something, too,
Something you never knew,
On the steps of the palace.
