- b. Roll Call – ACE Charter (Brandon Cedillo), Alpha Cindy Avitia HS (Travis Boubel), Cristo Rey San Jose Jesuit (Jaycob Fuega), Design Tech (Mike Gutierrez), Downtown College Prep- Alum Rock (Steve Vasquez), Downtown College Prep (David Blanco), East Palo Alto Academy (Laura Nuñez), Kehillah Jewish (Ryan Greenfield), Kipp-San Jose Collegiate (Christine Dela Rosa), Latino College Prep (David Wulff), Luis Valdez Leadership Academy (Billy Dick), Mid Pen (Kurt Lange), Mountain View Academy (Hans Martin), Nueva School (Chris Wade), Pacific Bay Christian (Mark Bermudez), Pescadero (Charlea Binford), San Francisco Christian (Nile Valenzuela), Summit Public School: Tahoma (Jef Faro), Thomas More (John DeTar), University Prep Academy (Tommy McMahon)

Not Present: Summit Prep & Summit Public School: Shasta (Mike Lofberg), North Valley Baptist (Chris Fannara)

Special Guests: David Grissom (CCS), Erica Tietz (KSJC asst. AD)

Questions to David Grissom:

1. Daily antigen testing clarification: (as interpreted by commissioner) you have multiple choices for indoor sports. Choice 1, is you can currently go into the gym for workouts and conditioning with masks and 6 feet apart (not practice). Choice 2, if there is practice, then there needs to be a baseline test. You can do periodic testing or daily antigen testing. Unclear of what is meant by periodic. If a student or coach tests positive, then you need to do PCR. In practice, testing is once a week and if competition, needs to be more frequent. Results need to be available within 48 hours before competitions.
2. Masks: in practice (after testing) masks are not mandated but CDHP has written that masks should be worn as much as possible.
3. Cohorts: not mandated but recommended that students stay within one cohort.
4. High contact sports (outdoor): authorized if under 14/100,00. If under 7, you don't have to test but have to do informed consent.
5. Transportation: CDHP has guidelines on it.
6. Competition outside of counties: within county or one adjacent county. You must follow the guidelines of the county which is the most restrictive.
7. If counties get into yellow, you will not need to adhere to restrictions around testing because you will be in the colored tier needed to play sports
8. Taking the indoor sports outdoors: A little unclear but moving sports outdoors will not require testing (ex. outdoor basketball practice). It is not recommended to play games outside.
