- chynnwys deunydd yn y cwricwlwm fydd yn helpu plant i ddatblygu agweddau realistig tuag at gyfrifoldebau bywyd, yn enwedig o ran gofalu am blant, magu teulu a bod yn rhieni da.

3. Gweithdrefnau

This document serves two purposes:

1. To provide a report to the Governing Body on Safeguarding practice that enables the governing body to monitor compliance with the requirements of safeguarding children and to identify areas for improvement (Guide to Law for Governors, Dec 2009 Chapter 16 – updated April 2011). Governing bodies are accountable for ensuring their establishment has effective child protection policies and procedures in place which are in accordance with guidance issued by the Secretary of State, any LA guidance, and locally agreed inter-agency procedures). A copy of the completed document should be appended to the minutes of the full Governing Body meeting where the Safeguarding Report is given.

Bring any deficiencies to the attention of the governing body of the school and advise the action needed to remedy them' – Safeguarding Children and Safer Recruitment in Education – January 2007.

Fe'i trefnir fel arfer wedi i'r Gweithiwr/wraig Gymdeithasol a Swyddog yr Heddlu wneud ymholiadau amddiffyn plant. Dylai'r cyfarfod hwn ddigwydd o fewn 15 diwrnod gwaith o gynnal y cyfarfod strategaeth rhwng yr heddlu a'r gwasanaethau cymdeithasol. Mae hyn yn golygu na fyddwch yn derbyn hysbysiad o'r cyfarfod tan yn hwyr iawn, ond dylech wneud popeth o fewn eich gallu i fod yn bresennol.

Byddwch yn derbyn gwahoddiad ysgrifenedig yn rhoi manylion y teulu, rhesymau dros y cyfarfod a rhestr o bobl fydd yn bresennol.

Fe fydd y Gynhadledd Amddiffyn Plant Cychwynnol yn penderfynu a ddylid rhoi enw'r plentyn a'r Gofrestr Amddiffyn Plant Môn. Os yw hyn yn angenrheidiol, fe fydd yn rhaid cytuno ar Gynllun Amddiffyn Plant.

5.2. Y Gynhadledd Amddiffyn Plant Adolygiadol:

Adolygir enw pob plentyn sydd ar Gofrestr Amddiffyn Plant Môn. Fe fydd yr adolygiad cyntaf yn digwydd o fewn 3 mis a'r adolygiadau yn dilyn hynny o fewn 6 mis.

Tasg y cyfarfod hwn yw adolygu'r Cynllun Amddiffyn Plant, a hynny er mwyn sicrhau y bydd y plentyn yn parhau i dderbyn gofal digonol; penderfynu a ddylai enw'r plentyn aros ar Gofrestr Amddiffyn Plant Môn ac a yw'r risg o niwed arwyddocaol wedi lleihau, ac os ydyw, penderfynu a ddylid newid y cynllun.

6. Paratoi ar gyfer y gynhadledd amddiffyn plant.

Os ydych yn cynrychioli'r ysgol yn y cyfarfod, gadewch ddigon o amser i baratoi ar gyfer y cyfarfod ac ystyriwch yr wybodaeth sydd gennych ynghylch y materion canlynol: -

- Unrhyw beth o bwys sydd wedi digwydd i'r teulu neu i'r plentyn.
- Iechyd, datblygiad ac anghenion y plentyn.
- Gallu'r rheini/gofalwyr i ddiogelu'r plentyn a hyrwyddo'i (h)iechyd a sicrhau ei (d)atblygiad.
- Unrhyw gefnogaeth ychwanegol gan y teulu neu'r gymuned sy'n bwysig i'r teulu.

Dylai pob asiantaeth gynrychioladol sy'n mynychu'r cyfarfod **ddarparu adroddiad ysgrifenedig o flaen llaw a dylent fod yn barod i ddarllen eu hadroddiad yn y cyfarfod.** Lle bo hynny'n bosibl, dylid dangos yr adroddiad i'r teulu cyn y diwrnod y cynhelir y cyfarfod.

Mae'n bwysig y gall y cyfarfod rannu'r holl wybodaeth berthnasol er mwyn deall amgylchiadau'r teulu ac asesu i ba raddau y mae'r plentyn mewn perygl.

Os nad ydych yn gallu bod yno, dylech hysbysu Cadeirydd y cyfarfod a gofynnwch i weithiwr uwch ddirprwyo, (os yw hynny'n briodol), **ac anfonwch eich adroddiad ysgrifenedig at y Cadeirydd o flaen llaw. Fe gofnodir eich ymddiheuriadau a'ch safbwyntiau a fynegwyd gennych.**

7. Gwybodaeth gyfrinachol

Hanfod llwyddiant unrhyw gydweithio rhyngasiantaethol yw cyfnewid a rhannu gwybodaeth berthnasol. Ymhob achos lle y ceir honiadau o gam-drin plant neu amheuaeth o ran hynny, mae'n ddyletswydd rhannu gwybodaeth berthnasol.

Cedwir pob darn o wybodaeth a roddir yn y cyfarfod yn gwbl gyfrinachol ac ni ddatgelir unrhyw beth y tu allan i'r cyfarfod at unrhyw ddiben, oni bai bod Cadeirydd y cyfarfod yn rhoi caniatâd.

A oes perygl parhaus y bydd y plentyn yn destun niwed difrifol/arwyddocaol?

Pan fyddwch yn ystyried yr wybodaeth ac yn dod i'r penderfyniad, yr hyn sy'n dyngedfennol yw naill ai...

- Bod y plentyn yn ymddangos ei b/fod wedi dioddef camdriniaeth, afiechyd neu drafferthion wrth ddatblygu o ganlyniad i gamdriniaeth gorfforol, rhywiol, emosiynol neu esgeulustod, a'r farn broffesiynol yw y byddai'r cam-drin neu wendidau'n debygol o barhau; neu

Pan roddir enw plentyn ar y Gofrestr Amddiffyn Plant, nid yw rhoi'r enw ar y gofrestr ynddo'i hun yn golygu y diogelir y plentyn oni bai y bydd Cynllun Amddiffyn Plant cyfatebol. Mae'r Cynllun Amddiffyn Plant yn argymhell dulliau y gall asiantaethau, pobl broffesiynol a'r teulu weithio arnynt mewn partneriaeth er mwyn sicrhau y caiff y plentyn ei (d)diogelu rhag niwed yn y dyfodol.

Purpose of the Policy

'Do the fundamentally good things that keep children safe.

The following individuals are the Safeguarding Children Designated Persons at the school: **Rhian Lloyd**

Person Safeguarding Children Deputy Liaison: **Liah Williams**

Designated Governor for Safeguarding Children: **Llinos Roberts**

1. Introduction

1.1 Ysgol Pencarnisiog School fully recognizes its contribution to child protection.

There are four main elements to our policy:-

- a) prevention of harm through teaching and pastoral support offered to pupils;
- b) procedures for identifying and reporting on cases, or on cases where abuse is suspected;
- c) due to the daily contact between staff and children, we are in an advantageous situation to identify any signs of abuse and to offer:
- d) support for pupils who have possibly been victims of abuse.

1.2 Our policy applies to all staff and volunteers who work at the school including our Governors. A teaching assistant, break or lunch time supervisor, carer, secretary, technical or administrative member of staff might be the first person a child informs of being abused.

2. Prevention

2.1 We recognize that high self-esteem, confidence, supportive friends and good lines of communication with reliable adults reduces the risk of substantial harm to children by keeping them safe.

With comprehension of this, the school will:

- a) establish and maintain an ethos where the pupils can feel safe and are encouraged to speak openly and to be listened to by any member of staff at the school;
- b) ensure that pupils know that there are adults at the school whom they can turn to in distress for advice and feel confident that they will be listened to fairly without prejudice;
- c) include PSHE activities and opportunities across the curriculum to develop the necessary skills to safeguard themselves from abuse and to know to whom to turn for help;
- d) include material in the curriculum to assist pupils to develop realistic attitudes towards life responsibilities, especially in terms of caring for children, bringing up a family and being good parents.

3. Procedures

3.1 We will adhere to Wales Safeguarding Procedures approved by the Local Safeguarding Children Board .

3.2 The school will:

- a) ensure that a member of the Senior Management Team has been deputised by the Headteacher, who has the main responsibility for Safeguarding Children and has received appropriate training;

- b) acknowledge the role of the Designated Coordinator for Safeguarding Children, arrange training and provide support. All members of staff involved in Safeguarding Children will have received the appropriate Level 2 training[under review] which has been approved by the Local Safeguarding Board.
- c) ensure that all members of staff and each governor is aware of:-
 - The name of the designated person and their role;
 - The correct procedure to follow if they suspect that a child is enduring or is at risk of enduring substantial harm
 - Their responsibility as individuals to refer child protection concerns by using the correct channels and within the deadlines agreed with the Local Safeguarding Children Board;
 - How to address those concerns if the designated person is unavailable and understands the process of referral;
 - The referrals process if there are concerns about the Headteacher.
- d) ensure that members of staff are aware of the need to be aware of signs of abuse and know how to respond if a child alleges that they are abused;
- e) understand that it is required to keep a detailed and accurate record of any disclosure made by a child who raises a concern
- f) ensure that parents understand the responsibility of the school and of the staff in terms of safeguarding children by noting those responsibilities in the school prospectus, and raising awareness of the contact numbers on the school website.
- g) understand that a pupil can be referred to Social Services either as a child in need of early intervention or for care and support with parental consent or as a child at risk of substantial harm). It is important that staff, pupils and parents understand that there is NO need for parental consent to refer to Social Services if a child makes an allegation of abuse against a parent and is suffering or is likely to suffer substantial harm. . Social Services and the Police will need to commence an initial assessment which will involve speaking with the child as soon as possible. However in majority of cases , if it is safe to do so, communicating with parents where there are safeguarding concerns is seen as good practice
- h) provide child protection training to all staff through the authority's level 1 training package which is updated annually. Level 2 and 3 training will be provided to the Headteacher, Designated Person and Designated Governor by the Education Department every two years. This training is to ensure that everyone understands;
 - Their own responsibility;
 - The locally agreed procedure;
 - That there is a need to be vigilant to identify the symptoms and signs of abuse; and
 - How to support a child who alleges that abuse has occurred.
- i) notify the local social services team if:
 - A pupil placed on the child protection register is excluded either for a fixed term or permanently; and
 - If a pupil who is on the child protection register is absent from school without an explanation for more than two school days (or for a day following a weekend);

- j) develop an effective link with the appropriate agencies and collaborate on enquiries into abuse including being present in the case from the start in safeguarding children conferences, core groups and presenting written reports to the conferences.
- k) keep written records of concerns about individual children (including dates, incidents and the measures taken), even if there is no need to refer the matter immediately to the authorities;
- l) ensure that records about cases are always safely locked away and key in the office of the Deputy responsible for safeguarding children;
- m) adhere to the procedures mentioned in the Welsh Assembly Government guidelines in the circular 45/2004 Disciplinary Procedures.

4. The Recruitment and Staff Appointment Procedure in Schools

- 4.1. Ensure that the recruitment and staff appointment procedure complies with the Council Policy relating to DBS Procedures and the Disclosure Policy.
- 4.2. Appoint a designated Governor with responsibility for Safeguarding Children who will supervise the school's safeguarding children policy and its administration.

5. Support for the At Risk Pupil

- 5.1 We acknowledge that children who may be at risk of substantial harm, face abuse or have witnessed violence, may suffer terribly as a result.
- 5.2 The school may be the most stable, quiet and stable part of the child's life. However, a child who suffers at home can behave in a way that attracts attention, whether it be though challenging behaviour or through out of the ordinary behaviour.
- 5.3 The school will try and support the pupil through:
 - a) the school ethos which:
 - promotes a positive, supportive and safe environment; and
 - facilitates each individual pupil as a valuable member of the school society.
 - b) adhering to the school's Behaviour and Disciplinary Policy which specifically refers to vulnerable pupils. Each member of staff has a positive attitude which focuses on the child's behaviour without harming the young person's self-respect.
 - c) ensuring that the pupil realises that some behaviour is unacceptable, that every individual is important to the school and that they realise that the child is not to blame for any abuse that has occurred.
 - d) contacting other pupil support agencies, such as Social Services, Children and Young People Mental Health Services, the Education Psychology Service, Behaviour Support Services and the Inclusion in Education Service;
 - e) keeping clear and concise records and informing Social Services if there is a regular concern about a child;

- f) ensuring that information about a young person on the child protection register who is leaving the school is immediately transferred to the new school and notifying Social Services.

Refer a Child in need of Protection to the Social Services Department

6. Consent

- 6.1 The Designated Safeguarding Person has to make a judgement if the nature of the allegations, especially if they are against a parent or anyone who shares a home with the child, is NOT appropriate to discuss the matter, or obtain parental consent before transferring the matter to Social Services or Police under the appropriate safeguarding children procedure.

7. Anti-bullying

- 7.1 Our policy on anti-bullying is noted in a separate document and this is annually reviewed by the Governing Body.

8. Reasonable Force

- 8.1 Our policy on safe intervention is noted in a separate document and this is annually reviewed by the governing body.

9. Children with a Special Educational Needs Statement

- 9.1 Statistically, children who have disabilities and behavioural problems are the most vulnerable. Members of staff who deal with children with serious and multiple disabilities or sensory impairments must be very alert to signs of abuse.
- 9.2 Statistically, children who are Looked After are at greater risk of further harm

10. Dealing with an allegation that a member of staff is responsible for abuse.

- 10.1 If an allegation of abuse is made, the Headteacher should refer the matter to the Referrals Team in Social Services and immediately inform the Local Education Authority. However, it must be accepted sometimes that the situation must be dealt with there and then and the school should follow the steps below at that time:

Step 1 EACH member of staff who witnessed the incident must provide a verbal and written record to the attention of the Headteacher regarding the allegation(s) (*unless the allegations are against the Headteacher - see below).

Step 2 The Headteacher/Manager must assess the risk to the child immediately and determine what would be best for the child (medical advice will possibly be required).

Step 3 If a member of staff does not know about the accusations, it would be wise to obtain advice from Social Services and the member of staff should be informed that an allegation has been made against them. The member of staff should not be informed of who made the allegation.

Step 4 Depending on the seriousness of the accusation, the Headteacher might be required to keep the member of staff and pupil separate and decide whether or not the member of staff should be suspended from work. If a decision is made not to suspend a member of staff, it should be ensured that a risk assessment is undertaken on a joint basis by the Headteacher and the Chair of the Governing Body. Suspension should be considered as a neutral and impartial course of action.

Unless the member of staff already knows, the Headteacher has no right to state who is making the accusation, or any details about it.

In order for the investigation to be undertaken thoroughly, an immediate suspension might be required. The member of staff will have the right to contact their Union for advice and this is a neutral course of action. The member of staff must be given a contact name within the school who they can contact. The Member of staff must receive the phone number for the county's Counselling Service.

Step 5 Social Services must be informed as soon as possible once an accusation is made against a member of staff, and on the same day the matter is put before the Child Protection Designated Person. The responsible member of staff should telephone 01248 725888 to speak to the Referrals Team from Social Services in order to receive advice and guidance. Having received verbal information, the appropriate Senior Manager with responsibility in the Local Authority's Social Services must coordinate the response.

Step 6 It is essential that the LEA's Designated Officer for Safeguarding Children is informed of the allegations as soon as possible and on the same day the matter is brought to the attention of the Child Protection Designated Person, as they can also offer advice – Gwyneth Hughes should be telephoned on 01248 752908 and the call should be confirmed by email. Human Resources should also be made aware of any allegation against staff.

Step 7 The Anglesey Child Protection Referral Form should be completed as soon as possible with details of the child making the accusation and all known details about the incident. A further Part 5 form should be completed to give details of the staff accused. The forms should be e-mailed to the Anglesey Safeguarding Team, Teulu Môn: TeuluMon@ynysmon.gov.uk. At the same time, a copy should be e-mailed to the Designated Officer in the LEA: gwynethhughes@ynysmon.gov.uk

Step 8 Within 48 hours or sooner if possible, the Senior Manager of Anglesey's Social Services Department will call a strategy meeting where the Headteacher is invited to provide all available information at the meeting regarding : a) the child and b) the member of staff
*The Headteacher/Manager must inform the Chair of Governors about the accusation, and invite him/her to be present at the strategy meeting.

MINUTES

IT IS NOT THE HEADTEACHER'S ROLE TO INVESTIGATE THE ALLEGATION - THAT DECISION IS MADE IN THE STRATEGY MEETING.

However, the Headteacher will need to receive as much information as possible in order to obtain facts about the allegation. The information will be useful at the strategy meeting as they decide on the next appropriate steps.

11. Dealing with an Accusation against the Headteacher

- 11.1 If the accusation is against the Headteacher, the Chair of the Governing Body should be informed and it is the responsibility of the Body to inform the LA's Child Protection Designated Officer.

The Child Protection Designated Officer for Anglesey Council is Gwyneth Hughes. Her contact number is 01248752908/ 07770642817 or gwynethhughes@ynysmon.gov.uk

If Mrs Gwyneth Hughes is unavailable, then the Chair of Governors must contact the Director of Education by telephoning 01248 752916.

If the LA Officer is not available, or if it is decided that further advice is needed, this should come from the child protection designated manager in the Authority's Social Services. This is not the same as referring a case to the authority but it could help the authority and the school when assessing the situation and deciding on the most appropriate steps.

If the allegation involves an offence or if it appears as though a child has been harmed or is likely to be harmed, the LA and the school must immediately refer the case in accordance with child protection procedures as established by the Local Safeguarding Children Board. The case will be referred to Anglesey Social Services. The Police will intervene if the accusation involves an offence.

12. Dealing with an allegation against a member of the Governing Body

- 12.1 If an allegation is made against a member of the Governing Body, then as in Section 5 of the Wales Safeguarding Procedures Guidelines should be followed – In all cases Allegations of abuse regarding, or against a qualified member of staff or volunteer who is involved with children or vulnerable adults (or who manages/supervises/influences them), must also be referred to the LEA's Safeguarding Children Designated Officer.

TIME-SCALE FOR DEALING WITH AN ALLEGATION AGAINST A MEMBER OF STAFF, THE HEADTEACHER OR A MEMBER OF THE GOVERNING BODY

Step 1 The LEA's Social Services Department must be informed as soon as possible about an allegation of abuse / offence against a child by a member of Staff or the Headteacher, and on the same day the incident is brought to the attention of the Child Protection Designated Person, or any other member of the Governing Body.

01248 725888 should be telephoned to speak to the Duty Social Worker for advice.

*Having received details verbally, the response is coordinated by the appropriate Senior Manager in the Social Services Department.

Step 2 It is essential that the LEA's Designated Officer for Child Protection is informed of the allegation on the same day the allegation is brought to the attention of the School's Child Protection Designated Person or any other member of staff or Governing Body so that further advice can be provided.

01248 725888 should be telephoned.

Step 3 Within 48 hours or sooner if possible, the Senior Manager of Anglesey's Social Services will call a strategy meeting where the Senior Member of staff is invited to attend and submit all known information regarding:

a) the child and b) the member of staff or Headteacher

(if the allegation is made against a member of staff or the Headteacher, the Chair of the Governing Body will be invited to the strategy meeting) An Officer from HR will also be present.

If the allegation is made against the Chair of the Governing Body, the Headteacher will attend the strategy meeting as well as the Governor with responsibility for Safeguarding Children.

The LA's Designated Person for Safeguarding Children or a representative of the Education Director will be present at each strategy meeting relating to a member of staff or the Governing Body. Also, a member from the Human Resources Department will be invited to attend.

13. Referral

Each case involving children must be referred by completing the Anglesey Social Services Referral Form, including as much information as possible.

If there is an urgent concern about a child's safety, the situation should be referred immediately by telephoning Anglesey Children Services or the Police. In such cases, the Referral Form will be completed and sent to the Referrals/Assessment Team on the same working day in accordance with WALES SAFEGUARDING PROCEDURES GUIDELINES.

This document serves two purposes:

3. To provide a report to the Governing Body on Safeguarding practice that enables the governing body to monitor compliance with the requirements of safeguarding children and to identify areas for improvement (Guide to Law for Governors, Dec 2009 Chapter 16 – updated April 2011). Governing bodies are accountable for ensuring their establishment has effective child protection policies and procedures in place which are in accordance with guidance issued by the Secretary of State, any LA guidance, and locally agreed inter-agency procedures). 1. Guidance for professionals who attend child protection case conferences in Anglesey

If you are invited to attend a Child Protection Conference, perhaps you will have questions regarding what will happen and what is expected of you. The aim of this guide is to answer some of your questions.

2. What is a child protection conference?

The Child Protection Conference is an integral part of arrangements formulated for inter-agency collaboration in order to protect children. An initial child protection conference is held after enquiries regarding child protection come to an end. The meeting brings together family members, including the child when appropriate, and the professionals who have been mostly involved with the child.

3. Purpose of the child protection conference.

The purpose of the conference is to: -

- Share and evaluate information about the child's health, development and activity, as well as the parents or carers' ability to ensure the safety of the child and promote his/her health and development.
- Decide whether or not the child or any other children in the family have suffered significant harm and if there is a risk that they could be harmed in future.
- Decide what actions are required in future in order to safeguard the child and to promote his/her well-being, how this can be moved forward and what are the desired outcomes.

4. Who should attend?

Professionals and practitioners with a **substantial contribution** are invited, and this due to their knowledge about the child or family, or deriving from their professional expertise.

Family members are invited.

5. Initial and review child protection conferences.

There are two types of Child Protection Conferences: -

5.1. Initial Child Protection Conference:

This is usually arranged after the Social Worker and Police Officer makes child protection enquiries. This meeting should take place within 15 working days from holding the strategy meeting between the police and social services. This means that you will not be notified of this meeting until very late, but you should do everything within your ability to be present.

You will receive a written invitation providing details about the family, reasons for the meeting and a list of people who will be present.

The Initial Child Protection Conference will determine whether or not the child's name should be placed on Anglesey's Child Protection Register. If this is necessary, a Child Protection Plan must be agreed upon.

5.2. Child Protection Review Conference:

The name of every child on Anglesey's Child Protection Register is reviewed. The first review will take place within 3 months and subsequent reviews within 6 months.

The purpose of this meeting is to review the Child Protection Plan in order to ensure that the child continues to receive sufficient care; to decide whether the child's name should remain on Anglesey's Child Protection Register and whether or not the risk of significant harm has reduced, and if it has, to decide whether the plan should be changed.

6. Preparing for a child protection conference.

If you represent the school at the meeting, allow enough time to prepare for the meeting and consider the information you have regarding the following matters: -

- Anything important which has happened to the family or the child.
- The child's health, development and needs.
- The parents/carers' ability to safeguard the child and to promote his/her health and to ensure his/her development.
- Any additional support by the family or community which is important to the family.

Each representing agency that attends the meeting should **provide a written report in advance and they should be willing to read their report at the meeting.** Where possible, the report should be shown to the family prior to holding the meeting.

It is important that the meeting is able to share all relevant information in order to understand the family's circumstances and to assess to what extent the child is at risk.

If you cannot be present, you should inform the Chair of the meeting and ask a senior worker to deputise on your behalf, (if appropriate), **and send your written report to the Chair in advance. Your apologies and the viewpoints expressed by you will be recorded.**

7. Confidential information

The essence of success in any inter-agency collaboration is the exchange and sharing of relevant information. In every case where there are allegations, or suspicions, of child abuse, it is a duty to share relevant information.

Each piece of information shared at the meeting is utterly confidential and nothing is disclosed outside the meeting for any purposes, unless the Chair of the meeting gives his/her consent.

8. Do you make a decision regarding placing a child's name on the child protection register?

When you attend a Child Protection Conference, you will be asked whether or not the child's name should be placed on the Child Protection Register, and you will be asked to voice your opinion on the matter. You should bear the following question in mind when coming to a decision regarding registering a child:

Is there a continuous risk that the child will be subject to serious/significant harm?

When you consider the information and come to a decision, the crucial point is whether...

- The child appears to have suffered from abuse, disease or difficulties when developing as a result of physical, sexual, emotional abuse or negligence, and the professional opinion is that the abuse or weaknesses would be likely to continue; or
- There is professional opinion, supported by the findings of enquiries in this individual case or evidence of the investigation, noting that it is likely that the child will suffer abuse, disease or difficulties when developing as a result of physical or emotional abuse, sexual abuse or negligence.

When a child's name is placed on the Child Protection Register, placing the name on the register in itself does not mean that the child is protected unless there is a corresponding Child Protection Plan. The Child Protection Plan recommends methods that agencies, professionals and the family can work in partnership with in order to ensure that the child is protected from harm in future.

9. Chair of the child protection conference

The role of the Chair is to ensure that the meeting focuses on the child's needs; that everyone can fully contribute towards the discussion and decisions; that everybody is treated fairly and with respect; and that decisions and plans from the meeting safeguard the child.

10. The Core Group

Members of the Core Group are selected at the conference, and it includes professionals and practitioners who work directly with the family.

The Core Group is responsible for developing and implementing the Child Protection Plan as a detailed method of collaborating within the plan outlined and agreed upon at the meeting in order to protect the child/children and reduce the risk of them suffering significant harm.

The Key Worker has the most important role, and each member of the Core Group has a joint responsibility for creating and implementing the plan. **If you are a member of the Core Group, it is essential that you attend** (see also the Core Group's protocol, the local Safeguarding Board's website).
