Topic: **INVESTOR AWARENESS PROGRAMME**

Date: 27-08-2024

Venue: Seminar Hall
Time: 4:00- 5:00 PM

- The Investor Awareness Programme (IAP) is designed to educate about the financial markets, investment opportunities, and risk management.
- Provide fundamental knowledge about different types of investments, including stocks, bonds, mutual funds, and real estate.
- Improve understanding of financial concepts like risk assessment, market analysis. Skills necessary to make informed decisions and avoid common pitfalls.
- The Investor Awareness Programme plays a crucial role in fostering informed investment decisions and promoting financial literacy.
- By addressing the challenges and implementing the recommendations, future programmes can be more effective in achieving their objectives and benefiting a broader range of investors.
- Provide accessible, digital platforms for learning about investment opportunities and financial management. improved understanding of investment concepts and financial products. Improve knowledge to more informed investment decisions and greater confidence in market participation. Increased awareness contributed to higher engagement in the financial markets and investment products. Investors became more adept at assessing and managing investment risks.
