

Hello,

I hope all are doing well! Here is the annual fall email for those in grades 9-12 that are on my list and interested in playing baseball this spring for Davies High School. Below are some important dates and information for the upcoming season so everyone can plan accordingly.

**Player interest form:** Meeting for those interested in playing Davies baseball. This will help by getting an idea of numbers and with planning for the spring and if we will need to open up for 8<sup>th</sup> graders to try out. Here is the [form](#) or you can go on the baseball [homepage](#).

**Callout:** 2/9 @ 8pm in H101 @ Davies. This is an introductory and informational meeting for players and parent(s)/guardian(s) about the upcoming season. An optional short parent group meeting to follow to help organize events/items for the upcoming season.

**Open Gyms:** Dates and information will be posted on the website soon as I am waiting on confirmation from the office and gym availability.

**School forms:** Please be sure to check the [Player Forms Checklist](#) for what you need to have completed in order to participate.

**Tryouts/Practice:** Are the week of 3/16. As I have mentioned last year in emails, messages, etc. this is spring break week. I know the timing is not ideal, but if you plan on playing baseball, you must be at tryouts. Please contact Coach Anderson if you miss any tryout dates.

**Notable Dates:**

3/27: First possible game date and players must have 9 practices in order to play.

4/3 (Good Friday)-OFF

4/25 (Prom)-OFF

Other days off of school-we will still practice or have games.

5/26 (Memorial Day)-Varsity will practice in the PM if in the state tournament

**Field Day:** TBD for all players

**EDC:** 5/19 @ High seed and 5/22-23 (Fargo)

**State:** 5/28-30 (Minot)

**EOY Banquet and Team meals:** TBD-waiting on confirmation from the office for availability

**Seniors:** Please try to schedule your parties for a Sunday if possible as we may have rescheduled games on other days.

If you know of anyone that is interested in playing this spring that has not played for Davies before, please share this information or have them contact me. If you are no longer interested in playing baseball, please let me know and I will remove you from my email list.

I will be sending updates and reminders once in a while, but please be sure to check the team website as well.

Enjoy the school year and see you in 2026!

Thank you

-Coach Anderson
