

Collegeville Elementary School

May 16 - 20 Announcements

Hello CES Families,

As we head into the home stretch, I am reminded that the “The Days are long, but the Years are short.” That is just as true for us as teachers and administrators as it is for parents. What a great year it’s been! I am looking forward to finishing strong and making every minute count during these last 8 days of school!

This week:

- Thursday, May 19—CES Talent Show-CES Gym @ 1:45 pm
- Friday, May 20—CES Field Day sponsored by PTO
 - 8:15-11:30 K, 1st, 2nd
 - 11:15-2:30 3rd, 4th, 5th
 - Students need to wear tennis shoes, sunscreen, bring a towel, and a sack lunch+drink. (Teachers sent home a request form if you want a sack lunch from the cafeteria.)

Field Day is always a favorite event and we are all looking forward to it!

If you plan to attend, please make sure you are following the district dress code. Adults must follow the same dress code as students. ***Spaghetti straps or tank tops are a no-go (Don't I wish they were acceptable on hot car duty days!) and our shorts/skirts must be finger-tip length.*** It's on page 18-19 of the District Elementary Handbook but I have copied and pasted it below for your convenience. It's a good reminder for all of us as we head into the last few days of school with hot weather upon us.

DRESS CODE

Student dress, grooming and appearance should be the responsibility of the student and the student's parents under the following guidelines:

- Dress and grooming should be clean and in keeping with health, safety, sanitary practices, and according to weather conditions. Appropriate shoes and clothing for physical education classes will be worn.
- Dress and grooming will not be allowed to disrupt the educational process.
- Clothing or articles that advertise drugs, alcoholic beverages, tobacco, suggest obscenities, violence, or present double messages may not be worn.
- Students **may not wear midriff tops, spaghetti strap tops, tank tops, or tops that leave the stomach, sides, cleavage, or back exposed. Students may not wear any garment that exposes the body between the shoulder and the accepted length of shorts according to the current dress code. The school reserves the right to regulate the wearing of articles with holes, tears, splits, or cuts in garments.**
- Students wearing sheer or 'see through' shirts must wear an 'undershirt' that complies with the dress code.
- Students may not wear clothing or hairstyles that can be distracting or disruptive to the educational process.
- A student shall not wear or display emblems, insignias, badges, tattoos, or other symbols if the message is intended to mock, ridicule, or otherwise demean or provoke others because of race, religion, national origin, or other individual views.
- Students must wear shoes. Every school will have a minimum 40 minutes of daily physical activity. (Act 1220 of 2003) For safety requirements, we recommend that students wear tennis shoes, not flip flops or sandals. No cleats or skate shoes allowed.
- No caps, hats, hoods, masks may be worn in the buildings.
- Students shall not wear clothing that exposes underwear, no sagging.
- With the exception of earrings, no body piercings will be allowed.
- Students shall not wear clothing depicting violence toward persons.
- Students shall not wear trench coats on campus.

Students will be permitted to wear shorts throughout the school year under the following restrictions:

- Absolutely no short shorts or skirts. **(Length must be longer than fingertips with arms dropped at the side of the body.)**
- Spandex, leggings, dance or exercise clothing may be worn underneath clothing which does not meet fingertip regulation.

Students must be dressed in good taste. It is the discretion of the administration to determine acceptable dress.

Please keep sharing!

- **Online Kindergarten Registration** for the 2022-23 school year continues. The link to register online is:
<https://www.bryantschools.org/page/kindergarten-registration>
You can also find it on the Bryant Schools Homepage, Bryant Facebook Page and shared on our CES page. Please help us spread the word for anyone who has a child turning 5 years old on or before August 1, 2022 to register online so we can save him or her a spot! I can't stress enough how important it is to have your child fully registered. This process gives us projected numbers, which ensures we have enough Kindergarten teachers, guarantees your child a seat at Collegeville, and prevents an overflow situation to another school.

I am ever grateful for your ongoing support and involvement in making Collegeville the very best!
