

August Wilson Adventure - Clue # 2

2. There is a building under construction across the street from this location. What is the building?

To answer this question, you need to look very closely at this photo to figure out the building's address. Then, use Google Maps to locate the building and to look at it from the Street View. Turn the little yellow character around so that you can see the building on the other side of the street and move it until this marker pops up that you can click for more information:
