

# Anime

Devil Hunter Yohko: Not totally ENF, but has a few amazing scenes, the best involving a newspaper and a fight in a park. (See also: the hilarious parody, Demon Fighter Kocho)

Hatsukoi Limited Girl (Specifically, the OVA specials): An OVA divided into six short vignettes, a girl forgets to wear underwear to school, hilarity ensues.

Freezing: basically ENF - The Series. An anime where beings from another dimension attack the earth, and it's up to the females of a Japanese school to fight them. Clothing can be regenerated via technological means, and is torn off constantly, and in the DVD specials have a tendency to go haywire.

Ultimate Girls: Japan is constantly being attacked by giant monsters. Three girls are accidentally crushed by the hero that fights them. He brings them back to life using his powers, but in doing so the girls now have to be the ones fighting the monsters! However, when their energy gets low, their costumes start to dissolve!

Akiba's Trip - Not total ENF but great scenes especially past episode 7. Premise is that people defeat each other by forcibly stripping. The main characters themselves aren't ENF too much but there are good moments with stripping of bystanders.

# Manga

Oh! Komarino!! by HB: A series of short stories about a girl(or girls) caught in compromising situations.

Negima!: Magister Negi Magi by Ken Akamatsu: Long running manga about a young Mage who teaches at an all-girls wizardry school, who just so happens to destroy clothes by sneezing.

Exhibitionist Girl's Play/Diary by Valssu: A series about a girl (in Diary, multiple girls) who get off on exposing themselves in public. Stops being ENF after the third volume, fair warning.

Nanako's Daily Life by Kawara Keisuke: A bunch of short stories about a guy who keeps seeing (or trying to see) a girl named Nanako in less than modest situations.

Hitomi's Great Adventure by Kawara Keisuke: Three short stories about a girl who loses her clothes, and has to scramble to get to safety.

TAG! by Suehirogari: A young girl finds a classmate streaking, and winds up getting mind controlled to do it as well!

Kumo no Michi by Suehirogari: A girl declares to her class that she is an exhibitionist. Hilarity ensues.

Cage by Suehirogari: Sibling teachers get caught up in a blackmail scheme that involves most of the school.

Nihon Dandy's works: Nihon Dandy creates many doujins that have ENF themes. Girls are very petite, however.

[http://www.dlsite.com/maniia/circle/profile/=/maker\\_id/RG11441.html](http://www.dlsite.com/maniia/circle/profile/=/maker_id/RG11441.html)

Tennen Kakutou Shoujo Chihiro-Chan: A popular and clumsy girl joins the wrestling team. Her clumsiness gets both her and her opponent into naked wrestling shenanigans.

NOTE: A few of these works (Particularly the Suehirogari works) were translated by Munyu.

<http://www.munyu.info/>

Magicalize:

<http://triplesevenscans.com/reader/series/magicalize/>

A young woman in a publishing company awakens to magical powers that allow her to hear the voices of young women in sexual danger. Using said powers tend to destroy the outfit she is wearing, however. Art by Inomaru.

Tama Kick:

Also from Inomaru. Basically episodic stories about Ayane Kurozumi, a beautiful detective who has legs that can take anything down. She takes various jobs so long as she gets proper monetary compensation.

Eros Survival: A guy dragged by a girl to join erotic games competition to win some money.

Works by ACTIVA SMAC, many works with exhibitionist themes, "**Nakazawa-san no Ikisugita Yoru**" is a good jumping in point.

Yoshidake no Chisuji: Housewife ends up in ENF situations in her all-male home

## Games

NOTE: Most, if not all of the games on this list can be found by Googling. However, this is piracy, if you are against it. The only way to obtain these legally is to purchase them on DLSite (though there may be other sites available that sell them). If they become available on the English DLSite, I will link them here.

## **Playable games**

Wonderful Pink:

[http://www.dlsite.com/maniawork/=/product\\_id/RJ082148.html](http://www.dlsite.com/maniawork/=/product_id/RJ082148.html)

A side scrolling beat-em-up where if you lose your clothes explode. If you collect over 50 hearts, you continue in a scramble for clothes instead of just getting a game over.

Hundred Furious Fist Momoko: Wonderful Pink 2:

[http://www.dlsite.com/maniawork/=/product\\_id/RJ124558.html](http://www.dlsite.com/maniawork/=/product_id/RJ124558.html)

A great side-scrolling beat-em-up with great ENF content. It takes a while to get to, however, as events that happen while losing only get added as you clear stages. When you lose after a certain point, you will be tied up in the enemy headquarters. Eventually, you will get the option to escape without any clothes on, initiating a special stage where you fight through in your birthday suit as a crowd takes pictures of you with their cell phones. It's actually a rather difficult stage due to your low health and limited fighting abilities.

Naked Order:

[http://www.dlsite.com/ecchi-eng/work/=/product\\_id/RE106101.html](http://www.dlsite.com/ecchi-eng/work/=/product_id/RE106101.html)

In order to save her little sister, a girl has to roam the streets at night, naked, and has to complete at least ten tasks in a certain amount of time.

Naked Plus:

[http://www.dlsite.com/ecchi-eng/work/=/product\\_id/RE180803.html](http://www.dlsite.com/ecchi-eng/work/=/product_id/RE180803.html)

A sequel of sorts to Naked Order. The girl from the first game is now helping out in her school to get a party ready, without any panties. More exhibitionism themed than ENF, however. Features multiple endings and various mini-games to play.

Sufferer Fanbox:

[http://www.dlsite.com/maniawork/=/product\\_id/RJ130907.html](http://www.dlsite.com/maniawork/=/product_id/RJ130907.html)

Specifically, Sufferer: The Final Escape. A platforming game where you have to avoid the gaze of beach-goers as you make your way back home with a torn swimsuit. The RPG game is worth completing first, however, as the state of your swimsuit when you complete that game allows you to select said clothing state in the platforming game (which are actually difficulty levels, and having no clothes at all is the hardest difficulty). Watch out for drowning!

Circle Kamebeya:

[http://www.dlsite.com/ecchi-eng/circle/profile/=/maker\\_id/RG05656.html](http://www.dlsite.com/ecchi-eng/circle/profile/=/maker_id/RG05656.html)

Makers of a lot of stripping/forced exhibitionism style flash games. However, almost all of them depict scatology, so fair warning. Most, but not all, of their works have a separate FRESH version, which removes the scat scenes.

QrinSway:

[http://www.dlsite.com/ecchi-eng/work/=product\\_id/RE178175.html](http://www.dlsite.com/ecchi-eng/work/=product_id/RE178175.html)

Nazuna, a camera-shy, magic-wielding schoolgirl who battles monsters at her school meets a revenge-seeking monster who plans to prey on her shyness. A two episode RPG. The first has the monster force the girl into wearing nothing but a school swimsuit, the second gives all of the males in school and the town glasses that can see through her clothes.

QrinSway02 - Bathhouse Edition:

[http://www.dlsite.com/ecchi-eng/work/=product\\_id/RE188473.html](http://www.dlsite.com/ecchi-eng/work/=product_id/RE188473.html)

Technically the third episode of the first QrinSway game. This time Nazuna is forced to deal with the monster inside the bath house, wearing little more than a small towel around her waist. Sometimes. It also includes short special RPGs starring girls from the circle's previous works outside of QrinSway.

Strip Poker Night At The Inventory:

<https://spnati.gitlab.io/>

Play strip poker with anime and video game babes. Most girls cover up and act embarrassed when fully stripped nude.

## **Visual Novel style games**

Circle 4H:

[http://www.dlsite.com/maniiax/circle/profile/=maker\\_id/RG10843.html](http://www.dlsite.com/maniiax/circle/profile/=maker_id/RG10843.html)

[http://www.dlsite.com/ecchi-eng/circle/profile/=maker\\_id/RG10843.html](http://www.dlsite.com/ecchi-eng/circle/profile/=maker_id/RG10843.html)

Creates many visual novel style games that center around girls who have to spend a certain amount of time at school naked.

U-Dash:

[http://www.dlsite.com/maniiax/circle/profile/=maker\\_id/RG12111.html](http://www.dlsite.com/maniiax/circle/profile/=maker_id/RG12111.html)

[http://www.dlsite.com/ecchi-eng/circle/profile/=maker\\_id/RG12111.html](http://www.dlsite.com/ecchi-eng/circle/profile/=maker_id/RG12111.html)

Another circle who creates visual novels about exposing women in broad daylight, does more than just schoolgirls, however.

MayThird:
