

Year 1 Summer		Credits
DPT-600	Professional Development I - Learning & Teaching	2
DPT-601	Clinical Human Anatomy	6
	Term credit total	8
Year 1 Fall		Credits
DPT-610	Kinesiology & Applied Biomechanics	3
DPT-611	Cardiopulmonary I - Exercise Physiology	3
DPT-612	Evidence Based Practice in Physical Therapy I	3
DPT-613	Professional Development II - Clinical Reasoning	2
DPT-614	Introduction to Psychosocial Aspects of Rehabilitation – ICE I	3
DPT-615	Clinical Examination Skills & Documentation	2
DPT-616	Integumentary 1 - Patient Management & Mobility	2
	Term credit total	18
Year 1 Spring		Credits
DPT-620	Cardiopulmonary II - Clinical Management of Cardiopulmonary Conditions	4
DPT-621	Musculoskeletal (MSK) I: Examination Skills	4
DPT-622	Special Populations I - Physical Therapy Management of the High Acuity Patient	3
DPT-623	Essentials of Therapeutic Exercise	2
DPT-624	Differential Diagnosis in Physical Therapy	3
DPT-625	Special Populations II - Physical Therapy Management of the Older Adult – ICE II	2
	Term credit total	18
Year 2 Summer		Credits
DPT-692	Clinical Education I - 10 wks	4
DPT-630	Professional Development III - Ethics & Moral Agency	2
	Term credit total	6
Year 2 Fall		Credits
DPT-641	Evidence Based Practice in Physical Therapy II	2
DPT-642	Physical Agents and Electrotherapeutic Interventions	2
DPT-643	MSK II: Management of the Lower Quarter/Lumbopelvic Spine	4
DPT-644	Advanced Psychosocial Aspects of Rehabilitation	3
DPT-645	Foundations of Neurorehabilitation I - Central Nervous System	3
DPT-646	Integumentary II	2
DPT-647	Special Populations III - Rural and At-Risk Populations	1
	Term Credit Total	17

Year 2 Spring		Credits
DPT-650	Foundations of Neurorehabilitation II - Spinal cord and peripheral nervous system	3
DPT-651	Neurorehabilitation I (CNS)	4
DPT-652	MSK III: Management of the Upper Quarter/Cervical Spine	4
DPT-653	Integumentary III - Prosthetics & Orthotics	2
DPT-654	Special Populations IV - Health & Wellness Promotion (1/2 semester)	2
DPT-655	Health Care Systems (1/2 semester)	2
	Term credit total	17
Year 3 Summer		Credits
DPT-694	Clinical Education II – 10 weeks	4
DPT-660	Introduction to Physical Therapy Clinical Management	2
	Term credit total	6
Year 3 Fall		Credits
DPT-670	Physical Therapy Management of Complex Patients	2
DPT-671	MSK IV - Advanced Spine and Manual Physical Therapy	3
DPT-672	Neurorehabilitation II (SC, ANS, PNS)	4
DPT-673	Special Populations V - Physical Therapy Management of Pediatric Conditions	3
DPT-674	Clinical Administration, Marketing, Management	3
DPT-675	EBP III - Capstone	2
	Term credit total	17
Year 3 Spring		Credits
DPT-696	Clinical Education III - 12 weeks	6
DPT-680	Professional Development IV - Capstone	2
	Term credit total	8
	Degree credit totals	115
