

Privacy Policy

Love photo frames feels that privacy is very important and we respect your preferences concerning the treatment of Information that we may collect. This Privacy Policy explains our privacy practices so you can understand what kind of information we collect. Please take a moment to read our privacy practices.

What information we collect?

Personal information - We do NOT collect any Personal Information such as your name, email address, physical address, age, files, photos, etc.

What kind of Information we use? The images you take using camera, or if you use any image from gallery, will remain inside the app only, we do not have access to any of your images. We use only mobile camera for Face Editor app. Any picture you take through this application will remain on your mobile, this application will not be saved anywhere from our side.

Kids privacy policy of apps

This Kids Privacy Policy has to be specified to indicate you, with guidance regarding our privacy policies with respect to collecting, using and disclosing personal information ,regarding the legal guardian of a child under the age of 13 years old. Many of our Games/Apps are intended for general audiences, and we do not knowingly gather or use any Personal Information from children and kids under the age of 13. When users are identified as under 13, we will block such users from providing Personal Information or make sure to get prior parental consent before collecting Personal Information.

Camera

This is used because it is necessary for the shooting function.

Write external storage

This is used to save photographed pictures.

Personal Information - We do NOT collect and use Personal Information in any way.

Non-personal Information - The Non-Personal Information is used for our own internal purposes to understand the customer interest; to understand demographics; to perform analyses of the behavior of our users, to describe our services to third parties such as advertisers and to analyze how and where best to use our resources and other trends to improve the Apps. We do not combine Non-Personal Information with Personal Information.

How we share the information we collect.

3rd party services

We use 3rd party services in our apps. These services collect usage data in compliance with their Privacy Policies. The services are described below.

Advertising

3rd party ad serving systems allow user data to be utilized for advertising communication purposes displayed in the form of banners and other advertisements on app, possibly based on user interests.

Admob

We use Admob by Google as the main ad server. Please see Admob Privacy Policy – <https://www.google.com/intl/en/policies/privacy/>

Contact us

If you have any questions regarding privacy while using the Apps, or have questions about our practices, please contact us via email at gallantapps@gmail.com
