

## Epic Reading After School

Many students choose their personal reading (or Baggie Books) from Epic. In order for students to read after school hours a parent needs to sign up for Epic Free (no credit card required) with their email address. Refer to [this link](#) that walks through how to set up a parent account on Epic Free.

Once parents have successfully created an account and connected to your classroom, students can log in using their class code to access:

- Epic School from 6AM - 3PM local time, Monday through Friday *and*
- Epic Free after 3PM local time, Monday through Friday, and on weekends.

Please click [here](#) for more information.
