

- BVHS students will have in-person semester finals in all courses during the week of December 14th.
 - If the entire high school is fully remote, the school will forego semester finals for this semester.
-

- 9th-12th grade students with unweighted A's and B's (81.5% or higher) in all of their BVHS classes are exempt from finals; if an exempt student chooses to take the semester final, the grade must count whether it raises or lowers his/her overall semester grade.
 - In advance, administration will email a notification to all students who are exempt from finals.
 - ***Full-time remote students will come to school to test in-person during assigned times.***
 - **Students will need to email their teachers to make an appointment during dates and times listed: Monday (Dec. 14th) through Thursday (Dec. 17th) at 1:30-3:30 and Friday (Dec. 18th) at 8:00-1:00.**
 - If needed, transportation may be provided on Friday, December 18th. Please call the Bureau Valley Transportation Department (815-445-2161) or email gklingenberg@bureauvalley.net to make arrangements.
 - Students with IEPs who attend every day will attend in-person Monday through Thursday to complete finals.
 - W.A.C.C. students must attend semester finals for periods 1-4 unless they are exempt with all A's and B's. Students with exemption may attend W.A.C.C. on Tuesday, December 15th.
 - Students who are in quarantine during finals will have select opportunities to complete missed finals over winter break (before January 5th). School communication will be initiated with these students on a case-by-case basis.
-

- Cumulative semester finals worth 15% of the semester grade must be administered in all classes.
- Failure to complete a final exam by any non-exempt student will result in a grade of zero for the final.
- Semester finals will be approximately 60 minutes long.
- Teachers are encouraged to have more than one form of the semester final since Lightning, Thunder, and Full-Time Remote students will be in the same class but testing on separate days.
- Teachers are required to post a semester review and study resources on their Google Classroom by December 11th, and it is strongly preferred that a teacher-led, pre-recorded review video be included as well.
- Before leaving on December 18th, all teachers must leave uncompleted semester finals in the office for possible completion over break.
- On Google Classroom, teachers will assign a schoolwide questionnaire about aspects of this school year (hybrid, remote learning, etc.) on December 18th. This form will be shared with teachers in the coming weeks.
