Frequently Asked Questions

Q: How many cities are available?

A: ScamRadar currently provides scam reports for the following popular European destinations: Paris, Rome, Barcelona, London and Amsterdam. More destinations will be coming soon!

Q: How do I get push notifications for risky areas?

A: Make sure notifications are enabled in your device settings and that you've allowed location access to be enabled always for ScamRadar.

Q: Is my location data safe?

A: Yes. ScamRadar only uses location data to show nearby scams and send alerts. We do not share your personal location with third parties.
