Sample Newsletter Articles (for use in both online and print newsletters) and E-mail Content:

Registration is now open for the 2026 Youth Ocean Conservation Summit! Join young ocean leaders at Mote Science Education Aquarium in Sarasota, FL on Saturday, September 12 for a day of learning, connection, and action for our ocean.

YOCS gives young people the opportunity to explore current challenges facing marine ecosystems, connect with other passionate ocean advocates, and gain the skills and resources to turn their ideas into meaningful conservation action in their own communities. Through interactive workshops, conversations with conservation professionals, and hands-on activities, participants will build practical skills, explore careers in marine conservation, and discover new ways to make a difference for our ocean.
