From: Ingress Resistance HQ

Date: Fri, November 30 2012

Doc No. 103.224-W

Ingress Resistance Team,

In Accordance with the Resistance by-laws (403.a) You are hereby being advised of Operation Reclaim.

Intel reports of a strong possibility of Niantic movement either this weekend or through the following week.

Our forces are behind at this moment and the push by Niantic could tip the scales.

You are advised to inform all members of your areas to prepare for battle and begin tactical takedown of all known enemy portals ASAP in preparation for this imminent change.

Cooperation is of High (Red) importance. Accountability must be held.

Proceed fearlessly
