

Hi Amanda,

I came across your Instagram profile and was impressed by the quality of your products. I understand that your COHR goals online course and The Art of Non-Toxic Productivity Masterclass are your primary sources of income, and I believe I can help you increase your sales.

As a Digital Marketing Expert specializing in copywriting, I am confident that we can form a mutually beneficial partnership. My analysis of your Instagram page suggests that you are not effectively monetizing the attention you receive from your posts, and I would love to help you with that.

If you are interested, I would be happy to schedule a Zoom meeting to discuss ideas and answer any questions you may have. I also have a discovery project idea that I think would be a great way to kickstart our partnership.

Best regards,

Alex

P.S. I believe that having studied at Columbia University is an astonishing achievement and amazed by the fact that you achieved it.
