

Privacy Policy

****Last Updated:**** August 9, 2026

This privacy policy applies to the ****Gwani A Basid**** mobile application (herein referred to as "Application") created by ****sulaiman 3131**** (herein referred to as "Developer") as a Free service. This service is provided by the Developer at no cost and is intended for use as is.

1. Information Collection and Use

The Application is designed to stream and download Quranic audio recitations of Gwani Abdul Basid.

1.1 Personal Data

The Application does not require registration, accounts, or the submission of any personally identifiable information (PII) to function. The Developer does not collect, harvest, or share your personal data.

1.2 Non-Personal Data and Permissions

To provide offline listening and streaming features, the Application requests and utilizes the following standard device capabilities:

- * ****Internet Access:**** Used to stream audio recitations from Archive.org.
- * ****Storage / Filesystem Access:**** Used to save downloaded audio files locally on your device for offline playback.
- * ****Notifications:**** Used to display media control playback notifications on your device's lock screen and notification drawer.

1.3 Third-Party Services

The Application may utilize third-party services that collect information used to identify you or analyze app usage. These include:

- * ****Google Play Services:**** Used to support core app functionality on Android devices.
- * ****Google AdMob (Ad Services):**** The Developer may display ads within the Application in the future. AdMob may use device identifiers (like advertising IDs) to serve personalized or non-personalized advertisements.

You can read the privacy policies of these third-party providers here:

- * [Google Play Services Privacy Policy](https://policies.google.com/privacy)
- * [Google AdMob Privacy Policy](https://policies.google.com/privacy)

2. Log Data

Whenever you use the Application, in case of an error or crash, the Application may collect data and information (through third-party products) on your phone called Log Data. This Log Data may include information such as your device Internet Protocol ("IP") address, device name, operating system version, the configuration of the app when utilizing the service, the time and date of your use of the service, and other statistics.

3. Cookies

Cookies are files with a small amount of data that are commonly used as anonymous unique identifiers. These are sent to your browser from the websites that you visit and are stored on your device's internal memory.

This Application does not use these "cookies" explicitly. However, the Application may use third-party code and libraries that use "cookies" to collect information and improve their services. You have the option to either accept or refuse these cookies and know when a cookie is being sent to your device.

4. Service Providers

The Developer may employ third-party companies and individuals due to the following reasons:

- * To facilitate our Service;
- * To provide the Service on our behalf;
- * To perform Service-related services; or
- * To assist us in analyzing how our Service is used.

These third parties do not have access to any personal user information since the Application does not collect it.

5. Security

The Developer values your trust in using this Application. Since the Application does not collect personal information, there is no risk of leakage of personal data. However, remember that no method of transmission over the internet, or method of electronic storage is 100% secure and reliable, and the Developer cannot guarantee its absolute security.

6. Links to Other Sites

This Application contains links to other sites (such as Archive.org for streaming audio). If you click on a third-party link, you will be directed to that site. Note that these external sites are not operated by the Developer. Therefore, the Developer strongly advises you to review the Privacy Policy of these websites. The Developer has no control over and assumes no responsibility for the content, privacy policies, or practices of any third-party sites or services.

7. Children's Privacy

These Services do not address anyone under the age of 13. The Developer does not knowingly collect personally identifiable information from children under 13. Since the Application does not collect any personal data, it complies with standard child protection laws (such as COPPA and GDPR).

8. Changes to This Privacy Policy

The Developer may update this Privacy Policy from time to time. Thus, you are advised to review this page periodically for any changes. The Developer will notify you of any changes by posting the new Privacy Policy on this page. These changes are effective immediately after they are posted on this page.
