

Vision and Hearing Schedule | SY 23-24

Vision and Hearing Screening for school age children is required by state law (CA Ed Code, Section 49452). The following children in SFUSD receive vision and hearing screening during the 2023-2024 school year:

- **Vision Screening: Students in grades 1, 4, and 7**
- **Hearing Screening: Students in grades 1 and 4.**

If your child does not pass a screening, you will receive a letter regarding the screening results and recommended next steps. If you do not receive a letter, you can assume that your student passed the screening(s). Students from one school cannot go to another school site for screenings. There are no make-up dates for missed screenings.

*In limited circumstances dates may be subject to change
