

Dog Friendly Belfast: Eat Out to Help Out in these Six Restaurants

Diners across the UK are set to receive a 50% discount on their meals throughout August through the Government's "Eat Out to Help Out" scheme. And the long-awaited list of restaurants participating has finally been released.

Restaurants who sign up to the Eat Out to Help Out scheme will automatically deduct the percentage from your food bill (including non-alcoholic drinks) on Mondays, Tuesdays and Wednesdays only - so you don't need a voucher with you to take part.

You can only get a maximum of £10 off per diner (which does not include alcohol) but there is no limit to how many times you can make use of the offer throughout August.

As part of their new Dog Difference Report, the team at dog food company tails.com have compiled a list of the dog-friendly restaurants offering the discount near dog-friendly **Ormeau Park in Belfast**.
