Did you know that 1 in 4 families in Massachusetts are going without the food they need right now?

That's why this year I've joined thousands of people from Massachusetts and beyond to end hunger by fundraising for Project Bread's 56th Annual Walk for Hunger and [<Insert Your Organization Name>](#) I'm reaching out to you today because I know how deeply you care about the health and wellbeing of families and seniors in our community.

Are you ready to be a part of something important, and have fun while making a difference?

Funds raised by our team will be split between our local anti-hunger program and the statewide effort, so you can feel good knowing that your donation is supporting multiple anti-hunger programs at once! Our team is part of The Commonwealth co-fundraising program where 60% of the funds we raise stay local to support the anti-hunger program at [<Insert Your Organization Name>](#). The remaining 40% will be directed toward the statewide effort.

Let's work together to provide food relief to kids and families facing insecurity in MA.
