

Privacy Policy – beezzz.club

Last updated: 23/02/2026

At **beezzz.club**, your privacy matters.

We are committed to protecting your personal data and being transparent about how we collect, use, and care for your information.

This Privacy Policy explains how we handle your data when you visit our website or use the beezzz.club application.

1. Who we are

beezzz.club is a women-only community platform designed to foster meaningful connection, friendship, and support.

For the purposes of data protection laws, beezzz.club is the **data controller** responsible for your personal data.

If you have any questions, you can contact us at: **hello@beezzz.club**

2. What data we collect

We only collect data that is necessary to provide and improve our services.

a) Information you provide directly

When you use beezzz.club, we may collect:

- Name
- Email address
- Profile information (age, location, interests, preferences)
- Content you share in the app (posts, messages, comments)
- Preferences related to matching or community participation

b) Automatically collected information

When you access the website or app, we may collect:

- Device and browser information
- IP address

- Usage data (pages viewed, interactions, features used)
 - Cookies and similar technologies
-

3. How we use your data

We use your personal data to:

- Create and manage your account
- Provide access to community features, clubs, talks, events, and matching
- Facilitate meaningful connections between members
- Personalize your experience based on your interests and intentions
- Communicate with you about updates, features, or support
- Improve the app and user experience
- Ensure safety, moderation, and respectful community behavior

We do **not** use your data for automated decision-making that produces legal or significant effects.

4. Matching & community features

beezzz.club uses profile information and preferences to suggest meaningful connections. Matching is based on:

- Age
- Location
- Shared interests
- What you're looking for at a given moment
- Life stage and energy
- Optional elements such as zodiac affinity

Matching is designed to support **intentional connection**, not ranking or popularity.

5. Legal basis for processing

We process your data based on:

- Your **consent** (when you create an account or choose to share information)
- **Performance of a contract** (to provide the app's features)
- **Legitimate interests** (to improve and secure the platform)
- **Legal obligations**, where applicable

You may withdraw consent at any time.

6. Sharing your data

We do **not sell** your personal data.

We may share data only with:

- Trusted service providers (hosting, analytics, payment processing)
- Moderation or safety tools, when needed
- Legal authorities, if required by law

All partners are required to comply with data protection regulations.

7. Data retention

We keep your personal data only as long as necessary:

- While your account is active
- To comply with legal obligations
- To resolve disputes or enforce our terms

You may request deletion of your account and data at any time.

8. Your rights

Under GDPR and applicable laws, you have the right to:

- Access your personal data
- Correct inaccurate information
- Request deletion of your data
- Restrict or object to processing
- Request data portability
- Withdraw consent at any time

To exercise these rights, contact us at: **hello@beezzz.club**

9. Cookies

Our website uses cookies to:

- Ensure proper functionality
- Understand usage patterns
- Improve performance and experience

You can manage or disable cookies through your browser settings.

10. Data security

We take appropriate technical and organizational measures to protect your data against:

- Unauthorized access
- Loss or misuse
- Alteration or disclosure

However, no system is 100% secure, and we encourage you to protect your login credentials.

11. Identity verification & women-only community

beezzz.club is designed as a **women-only community**.

To help maintain a safe, respectful, and authentic space, we may require **identity verification** during the onboarding or verification process.

a) Purpose of verification

Identity verification is used **solely** to:

- Confirm that the account belongs to a woman
- Protect the integrity and safety of the community
- Prevent fake, fraudulent, or abusive accounts

Verification is **not** used for profiling, marketing, or any other purpose.

b) What information is used

For verification purposes, we may temporarily process:

- An official identity document (such as a national ID or equivalent)
- A verification image or confirmation step

This information is used **only to confirm eligibility for access** to the women-only space.

c) Deletion of identity documents

Important:

Any identity documents or verification images provided are:

- Used **only during the verification process**
- **Not stored permanently**
- **Deleted immediately after verification is completed**

beezzz.club does **not** retain copies of identity documents once verification has been successfully confirmed.

d) Data protection during verification

All verification steps are handled using **secure systems and processes** designed to protect your personal data from unauthorized access or misuse.

Only authorized systems or providers involved in verification may process this data, and only for the time strictly necessary.

e) Your choice

If you choose not to complete identity verification:

- You may not be able to access certain features
- Or may not be able to create an account

This is to ensure a consistent and safe experience for all members.

f) Respect & inclusion

beezzz.club approaches verification with care and respect.
Our goal is **not control**, but **community safety and trust**.

12. International transfers

If data is processed outside the EU, we ensure appropriate safeguards are in place to protect your information.

13. Changes to this policy

We may update this Privacy Policy from time to time.
Any changes will be posted on this page with an updated date.

14. Contact us

If you have questions or concerns about this Privacy Policy or your data:
