High School & Beyond Plan Handout

Washington State HS & Beyond Graduation Requirements

What is High School and Beyond Plan?

The High School and Beyond Plan is a state graduation requirement. Each student must have a High School and Beyond Plan (HSBP) to guide the student's high school experience and prepare the student for postsecondary education or training and career. Students start their plan in eighth grade and then continue to revise them throughout high school to accommodate changing interests or educational and career goals. Components of the High School & Beyond Plan will be completed each year when your career center makes classroom visits, building on themselves from year to year. All components of your High School and Beyond Plan must be completed before graduation:

- 1) Interest Assessment (9th Grade & 10th Grade)
- 2) Preferences Assessment (10th Grade)
- 3) Reality Check (9th Grade)
- 4) 4 Year plan (9th, 10th, 11th, & 12th Grades)
- 5) Resume (11th Grade)
- 6) Cover Letter (11th Grade)
- 7) Career & Education Goals (11th & 12th Grade)
