Showcase your Crowning Achievement(s)!

For Breakout Leaders From a School

Crown Challenge - You are invited to create a crown that displays and showcases your individual or school's Crowning Achievements and the things that make your school unique. You can create your crown before coming to the conference, or you can create your crowns once you arrive with the materials provided (Sponsored by: Specialized Public Finance, Inc.). The most important part of this challenge is that you have fun reflecting on your Crowning Achievements - your crown does not have to be perfect, and it does not have to be fancy or cost money, use what you have and enjoy the process!

We will take pictures of your crowns and post them to Whova for all attendees to see and celebrate. Crown creators will be encouraged to wear their crowns throughout the conference.

Why join in the Crown Challenge?? This is a great opportunity to showcase and celebrate charters and the awesome things y'all are doing! It will also serve as a facilitator of conversation. Our goal is to break barriers and open the silos that charters often find themselves in - the Crown Challenge is one way to build community!
