NOTES FOR NO KINGS 3 ATTENDEES:

- Wear sunscreen and bring a hat!
- Wear yellow: the official color of NO KINGS!
- At Lake Merritt, there are public restrooms. In addition, we will have three porta-potties (the one near the ADA seating is designated for ADA attendees only).
 - ADA plan again [here](#)!
- We still need people to carry *lightweight, beautiful* contingent signs (AKA Giant Vertical Signs, or GVSs)! Here's what the role requires:
 - Join a Signal chat for the GVS crew
 - Arrive at Oscar Grant / Frank Ogawa Plaza at 11:20
 - Collect your Giant Vertical Sign for your contingent
 - Attend a quick briefing at 11:30
 - At 11:45, set up so that people marching with contingents can find you
 - Hang out until the march step-off (the sign is designed to rest on the ground, while remaining visible above people's heads)
 - Carry the sign during the march - it's great if you can march with a buddy to switch off!
 - Return the signs backstage at Lake Merritt!
 - **If you can carry a contingent sign, fill out [this form](#), click the option for the Giant Vertical Sign**
 - If you have a preference for a specific contingent, add that to the open-ended question!
 - For contingent names, check out the map [here](#)!
