

*:.° Happy Birthday Lizzy! *:.°

We have decided to give our wonderful Lizzy some messages to give her some love, here's what we have to say:

From Lulu The Great (8ThompsonSisters19)

Happy Birthday Sweetheart!! *//DYING WHALE NOISES//*

Where should I even start? I guess the beginning as far back as I can remember which happens to be roughly **2 MONTHS ago** from this day. Can you believe that?! I only got to know you for 2 months by barging in through the backdoor. Though in reality it wasn't really that special since it never occurred to me that ERS was public at the time so anyone could have joined if they wanted to. However you know my selfish nature, so I'm going to stick to the story that I got in through special means.

What was I talking about again? Oh right, your special day! I truly hope from the bottom of my heart that you are able to enjoy this day with everything that brings you so much joy no matter what that thing may be. I'll look the other way if it's something dangerous, but note that it's only going to slide just this once. Or maybe a few more times because I adore you. Ahhhh... screw it. **IF YOU DON'T TELL, I WON'T TELL EITHER.**

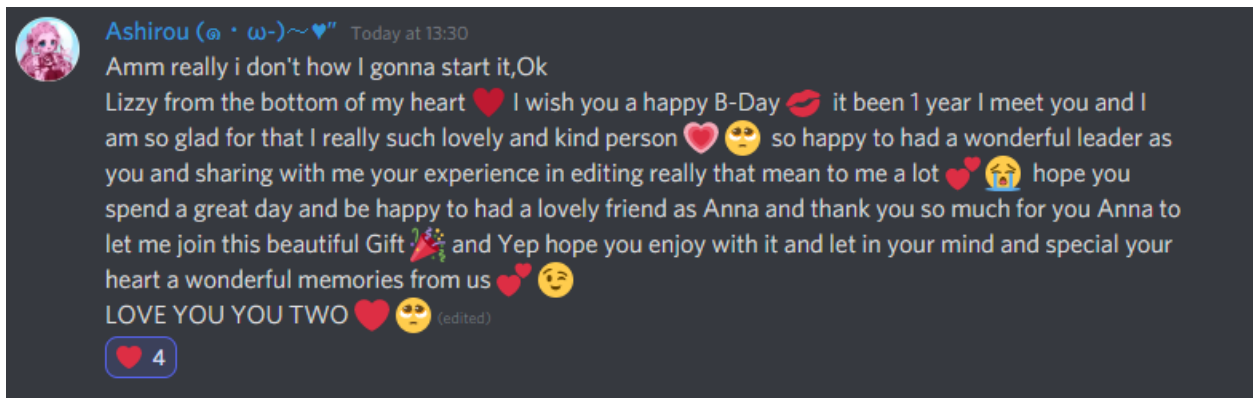

What else is there to say? I guess only time will tell, but with all seriousness, I really do hope that you know that you are honestly so adorable thru and thru. I might not know much about you, but I can tell that

you are very dedicated and lovely towards the people that you know and that you will always try and do what is best for everyone around you. I'm so glad that I happened to catch ERS when I did and was able to meet such an **AMAZING** person. I'll be sure to take this meeting with great strides and honor our friendship for years to come regards if it has anything to do with the AMV community or not. Thank you once again for always allowing me to be selfish and accept the things that I find enjoyable, whatever it might be. I hope that later down the road I am able to give back to you what you have given to me. Though I wouldn't know what you would need someone like me for, however the door/window is always open for you. All you need to do is just knock.

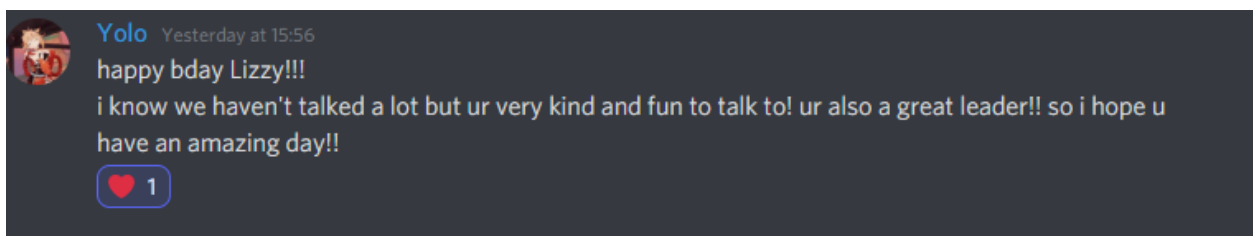

Once again Lizzy, I would like to wish you a very happy birthday. Please feel free to call me whenever you feel like it. I'm sure that I'll be around sooner or later. **AS ALWAYS, GOOD LUCK WITH TRYING TO CATCH ME.**

Man OH MAN!! I don't know how to start writing this.... EHM, I get the honour of hosting stuff for my wife's birthday two times in a row? Big shy >-< I can't believe it, YOU'RE STILL OLD- I mean aHem, happy 21st birthday!! Please watch your alcohol e.e And make sure to shar- sdfg i mean omg Lizzy you are such a kind hearted person!! We have stuck through so much over the past.. 3(?) years now, and I'm so so grateful and blessed to be able to call you my friend, maybe best friend.. or wife c:

You have always been such a dedicated editor and person- like bro, how do you do so much all the time? YOU WORK SUPER HARD LIKE I CANT- You do so much for me, and other people as well, and we are all very grateful for everything you do for all of us!! Blessing us with your edits, or just your presence tbh!! You make me and everyone so happy all time, so this time we needed to give back to you! Well- I really felt like I needed to, smh no one is gonna just make me cRi and join my own birthday mep >:c I had to plot my revenge ofc!! Revenge and doing things in spite out of love tastes sweet smh <3 LMFAO plz i also wanted to do this because you deserve to have a wonderful day this year!! >-<

Despite this being very wack to host and edit after 20 years of me taking a break and dealing with life, it really feels worth it to have it done! I mean like bro.. I never start projects so early- literally April like THAT WAS SO LONG AGO KINDA EMBARRASSED >.> You may have already known about this project, as ehm I'm a horrible liar I realized and eh, just lots of sus things PFFFT dfgf but I hope it was able to make you feel loved from us!! I wanted everyone from ERS (and some other guests dfs) to show you how much we appreciate you, so here we are bullying our favorite leader <3

Thank you again for giving us all so much joy, and helping us out!! It means the world and more to me that I am able to share so much time with you, whether its having a good laugh or playing genshin and racing to the other side of the map to crash my pc (plzneveragain). I will always be here for you when you need support, and just to annoy you please never forget, or Imma have to come after you smh. Now, I think it's time for you to sit down and have some cake and popcorn.. popcorn cake?Ew that sounds gross.. eHm yknow what I mean!! I love you Lizzy, and I hope you have the most wonderful birthday that you deserve! (edited)
