

Putting it All Together Workbook

Instructions:

1. Go to "File" → "Make a Copy"
2. Retitle it and save it somewhere in your Google Drive folder where you can find it easily.

1. Theme

Consider what your theme might be. What are some words or phrases that describe your theme?

Hint: This is what you want the DI Program Directors to remember about you!

2. Purpose

Can you identify the purpose of each paragraph?

Hint: There may be more than one purpose!

3. Connect the dots

Are all the personal statement questions answered? What did you notice about how the questions are answered?

Next Steps:

1. Work on your PS draft(s).
2. Refer to your theme and check for purpose when writing and editing your draft.
3. After completing your draft, go back and check that all the PS questions have been answered.
4. Find at least 1 person to read your statement and answer what they think the theme/purpose(s) for your PS.
