CHAPTER MEMBERSHIP FORM

Joining the Bird Alliance of Southwestern New Mexico helps us support local bird watching excursions, programs on a variety of topics including bird identification, community science projects, and local conservation efforts. Your membership provides you with timely notifications of upcoming events and our informative quarterly newsletter delivered to your mailbox.

We are a chapter of the National Audubon Society, but we are a separate 501(c)(3) organization and receive no monetary support from them other than a small annual stipend. Joining our chapter supports local efforts to achieve our mission - to provide love for and protection of Southwestern New Mexico birds and their habitats!
