

Governance Report - 14/11/23

- Governance committee met and continued reviewing current draft policies. Greg agreed to present these policies to the staff at the next staff meeting for their suggestions.
- Alexandra working with Robin, Greg, and Marcel to create the Gratitude Report for the AGM. Currently have the number of donations from the 2021-22 and 2022-23 fiscal years, and the names of anyone who donated +\$50. Alexandra working on getting consent to include their names in the Gratitude Report; unsure if we can get everyone's contact information. Gratitude Report may just have a listing of the number of donations, and total amount donated, but with no names.
