**Our job:** Faithfully tell others the Gospel Message  
**God's Job:** Open their Hearts to receive the Gospel Message

# “THE DWK”

## DISCIPLE’S WEAPONS KIT

### Let’s be Disciples and get the Good News (Gospel) out on Jesus

We are entrusted with the Great Commission to our generation. Our task is to reach people with the gospel message.

Matthew 28:18-20 (NIV) Then Jesus came to them and said, "All authority in heaven and on earth has been given to me. Therefore, go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age."

As devoted disciples with love for Christ we need to seek every avenue available to reach someone with the gospel message.

**Many of us can find it hard to always find ways to tell others that cross our paths in life about** the joy that we have in Jesus. It also takes an investment in time and courage to stand up for our Lord Jesus who stood up for us on the cross.

Below are numerous ways that have been found quite effective and extremely easy for every one of us Disciples of Christ to follow through and get into a routine where we do it on a consistent basis. When you do this, I think you’ll be amazed at some of the responses you get back from the people you utilize these different “Disciple’s Weapons”

## **TRACTS AND BOOKLETS**

*“Let each one of us, if we have done nothing for Christ, begin to do something now. The distribution of tracts is the first thing...When preaching and private talk are not available, you need to have a tract ready. Get good striking tracts, or none at all. But a touching gospel tract may be the seed of eternal life. Therefore, do not go out without your tracts.” —Charles Spurgeon*

**Many people have a passport to travel**, and without a passport you cannot travel freely to some foreign countries. This is true for anyone who wants to be in heaven someday. You can never enter heaven unless you have what is required to enter God's holy and eternal dwelling place. Because God is holy, and hates all sin, He cannot accept anyone into heaven who is defiled by sin.

### **UTILIZE THE JESUS FILM**

<https://www.jesusfilm.org/watch>

#### **1) THE JESUS FILM AND MANY OTHERS** (Jesus Film in 1500+ languages and watched by BILLIONS)

The highlighted film is the Jesus Film, yet there are many others to share as well. One of my other two favorites is the story of Jesus told through the eyes of Mary Magdalene, which is a great movie for women, and then the story of Jesus told through the eyes of children which could be given to children or the parents of children.

Below are the steps that it takes to begin this process and once you do it you will find out how simple and effective and easy it is to send this movie out and also you have the capability to send it to people in over many different languages.

What are the most beautiful things about each of these movies is at the end of the movie it has a built-in storyline of how a person can except Jesus as their Lord and Savior. If you have not watched any of these movies, I would strongly suggest you watch them yourselves, and you will see what a tremendous and effective discipling tool they can be!!

### **How to download the Jesus app:**

**Step 1** – Download the Jesus APP (Go to your APPS store and search for “Jesus Film Project”

**Step 2** – Open app and you can browse all the different movies available. TOUCH the movie you wish to watch or send.

**Step 3** – You will see directly below the movie some available options. Touch the arrow by “English” to choose your language. To the right you can:

- Make that movie a “favorite”
- Next symbol is to download the movie
- Next symbol is to forward the movie to someone. When you touch this symbol, it will allow you to send the movie by Airdrop; Text message; email; Whats App; Facebook and more. When you choose how you want to send the movie it will provide the link as well as a “built in” message which you can keep, or add to or put your own message in.
- At the bottom of the “HOME SCREEN” you can set up your own settings and more.
- I just watched this great video: JESUS - English. Let me know what you think.
