GOAL SHEET

Please answer the following questions thoughtfully.

1. What do I normally do to prepare myself for a math test (this includes anything you do from the time the chapter starts until you take the test. These are called your Learning Tactics). How has this been working for you (BE HONEST!)?
2. What did I do to prepare for the *original* Chapter 4 Summative Test?
3. What did I do to prepare for the Chapter 4 Retake? NOTE: These must be *different* than what you did originally. List at least THREE new strategies!
4. What do I need to do differently as I continue my *Learning Tactics* for Chapter 5?
