

Challenge: put the following events in **chronological** order.

- _____ Space-X's first flight (September 20, 2008)
- _____ Death of Osama Bin Laden (May 11, 2011)
- _____ Parkland school shooting in Florida (Feb 14, 2018)
- _____ 9/11 (Sept 11, 2001)
- _____ Justin Trudeau first elected as Canadian Prime Minister (Nov 2015)
- _____ Chicago Cubs win World Series (first time since 1908 - 2016)
- _____ Barack Obama elected for 2nd term (Nov 6, 2012)
- _____ Death of Kobe Bryant (Jan 26, 2020)
- _____ Covid-19 Pandemic (March 2020)
- _____ Donald Trump becomes US President for the first time
- _____ Invention of FaceBook (Feb 4, 2004)
- _____ Invention of airpods (Sept 7, 2016)
- _____ Haiti Earthquake (Jan 12, 2010)
- _____ 215 discovery in Tk'emlups te Secwepemc (May 27, 2021)
- _____ Me Too movement (2006)
- _____ Death of George Floyd

Practice: refer back to your notes if you need clarification on key terms as you complete the next questions.

1. Pick ONE event from the list (or the Significance list) that could be considered a **turning point**. Explain how it meets the criteria for a turning point.

2. Pick TWO events from the list and discuss how they are similar (**compare**) and how they are different (**contrast**).

3. Pick ONE event from the list that could be considered **progress** for one group, but **decline** for another. Explain.

4. Pick ONE event that falls in each of the following categories:
 - a. **Political** -

 - b. **Economic** -

 - c. **Social** -

 - d. **Technological** -

Key Terms:

change	progress	decline	continuity	chronology	Technology
Turning point	Time period	Political	Social	Economic	periodization

Make sure you are familiar with the key terms. Can you explain them to a friend or family member? If not, then refer back to your notes and start writing out a Key Terms list or flash cards to help you remember.
