We have a school wide field trip this Tuesday to Johnson's Farm. We will be able to participate in lots of activities and even get to take home a pumpkin! It should be a great time and when we return to school we have stations set up so that you can paint your pumpkin! Thank you District Office for arranging this awesome field trip for us.

We have a half day of school on Friday and the quarter is starting to wind down. Please make sure to be checking your grades on Home Access. Always talk to your teachers about your grades if you need help.

Basketball and wrestling season are about to start. Open gyms for MS/HS boys/girls is every Tuesday and Thursday from 6-8 at our high school gym. Come play and start to get ready for the upcoming season.

A reminder to please wear your masks properly and to stay socially distanced. We have had some close contact quarantined because of improper mask wearing. It is meant to keep us safe and staying in school. Please talk at home about the importance of following protocols. We greatly appreciate your help during this time.

As always, if you have any questions or concerns, please reach out.
