Committee Updates - bring forward

Principal's Report - 25 minutes

- **Truth and Reconciliation day on September 29**
 - There is a subcommittee organizing some commemoration service to mark September 30.
 - Subitem 2
- **Slow Startup to the Year**
 - The VSB school of trustees voted to start the year with a 1 day training session on the first day of school regarding anti-racism
 - They watched 5.5 hours of video plus discussion on anti-racism, cultural humility
 - There was a delay in going into new classes - typically it's done within the first week, but the VSB has undergone an unusual summer period
 - There was a lot of transience within the VSB
 - Many people left the city and many people moved around within the VSB
 - There wasn't too many changes at MTP, but as it's the overflow for other schools
 - The school board told MTP that they could not place students until the first Monday of the school year
- **The school is getting an exterior paint refresh**
- **Parent Conferences**
 - There will be no in-person parent conferences (a district-wide rule) - they will all be virtual
 - For Meet the Teacher - there will likely be a virtual meet the teacher night, which may include a video walkthrough
 - Will discuss the possibility of an informal after school pick up
- **Ventilation**
 - The school district, in cooperation with Worksafe BC, have worked on modifying the ventilation in MTP.
 - They've changed the fans and filters on the roof of the school, and have changed the air flow within each classroom
 - 90% of the air each hour is new/refreshed from the outside
 - MERV 13 filters
