

# Infinite Campus - Academic Programs Set Up Course Requirements

- From the Index Choose:
  - Programs
  - Academic Programs
  - Open the Program you would like to edit by clicking on the +
  - Choose Course Requirements
  - Find the Course Category you want to change
  - Under Transcript/Course Number(s)
    - Type in course numbers that fulfill that course requirement
    - Remove those that do not.
    - SAVE
  - Once you get all the Course Numbers Entered, you can hit Preview to get a list to be sure you entered them correctly.
  - You can copy the course numbers to another program if needed:
    - Highlight all the course numbers in a category.
    - Right Click
    - Select Copy
    - Open the other Program and Course requirement section
    - Right Click
    - Paste

The screenshot displays the Infinite Campus District Edition interface. The top navigation bar includes the Infinite Campus logo, 'District Edition', and a 'Log Off' button. Below the bar, filters for 'Year' (15-16), 'School' (Beatrice High School), and 'Calendar' (Beatrice High School 15-16) are visible. The left sidebar contains a tree view with 'Academic Programs' highlighted. The main content area shows a list of academic programs, with '2020 HS Graduation' selected. Under this program, 'Course Requirements' is highlighted. The right pane displays the 'Course Requirements Detail' for '2020 HS Graduation', showing a table of requirements with columns for 'Requirement Description', 'Transcript/Course Number(s)', 'Grade', 'Min Credits', 'Min GPA Value', and 'Credit Type this rule applies to'.

Requirement Description	Transcript/Course Number(s)	Grade	Min Credits	Min GPA Value	Credit Type this rule applies to

- You can remove a complete Course Requirement Category by hitting the X next to it and SAVE
- Add a Course Requirement
  - Click on the Add Course Requirement button

- Name it
- Enter Course Numbers
- Preview to Check them
- Add the Grade required if needed
- Add the number of credits required
  - i.e. If they need two semesters of Algebra 1, then enter 10
- Add the minimum GPA Value(1 = D)
- Add Credit Group
- SAVE
