

How To Share Your Screen on an iPad While on Zoom

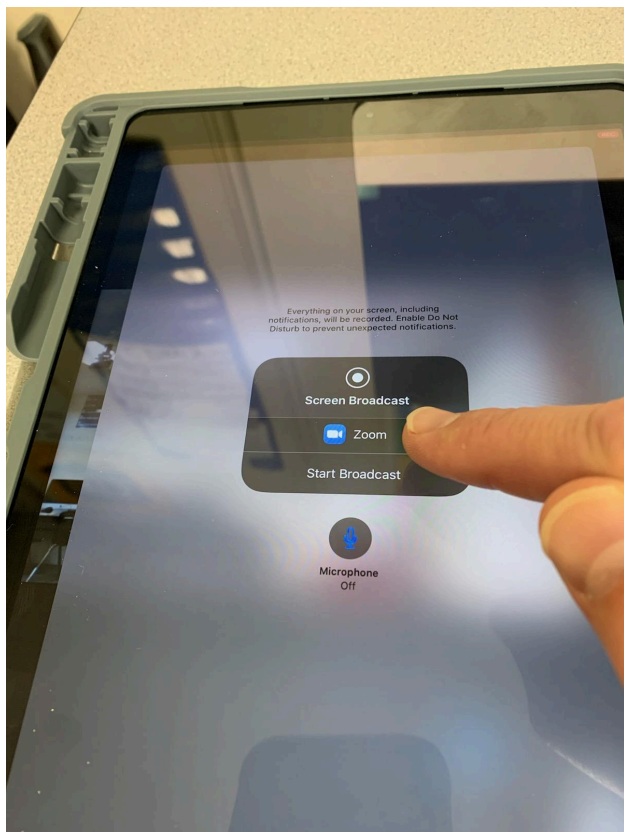

1. Touch the top right corner to show the green “Share” button and tap on it.

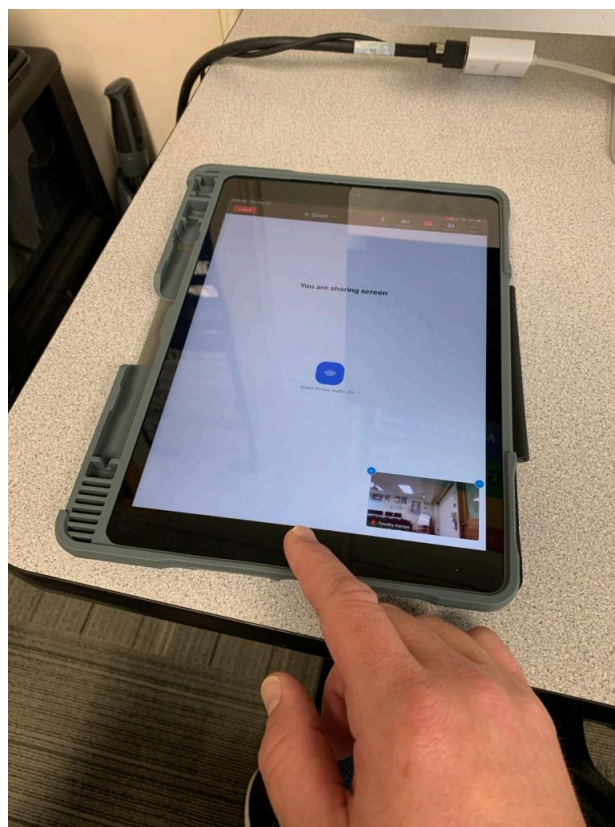

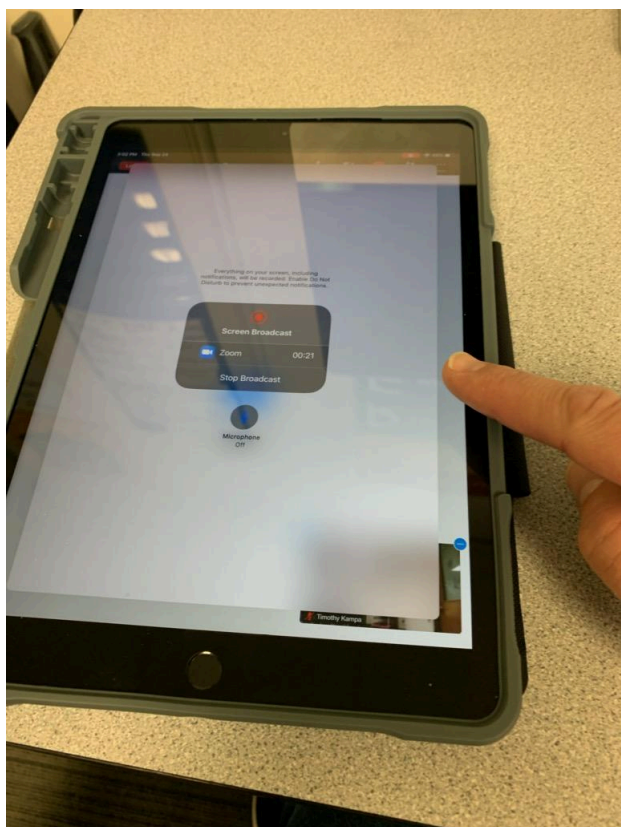

2. Touch “Screen,” or whatever you are sharing on your iPad.

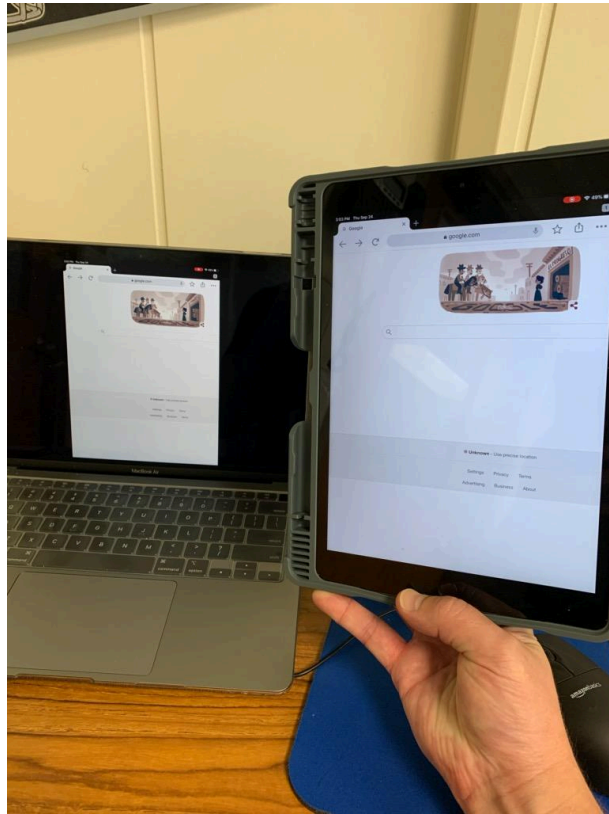

3. Touch the “Zoom” option.

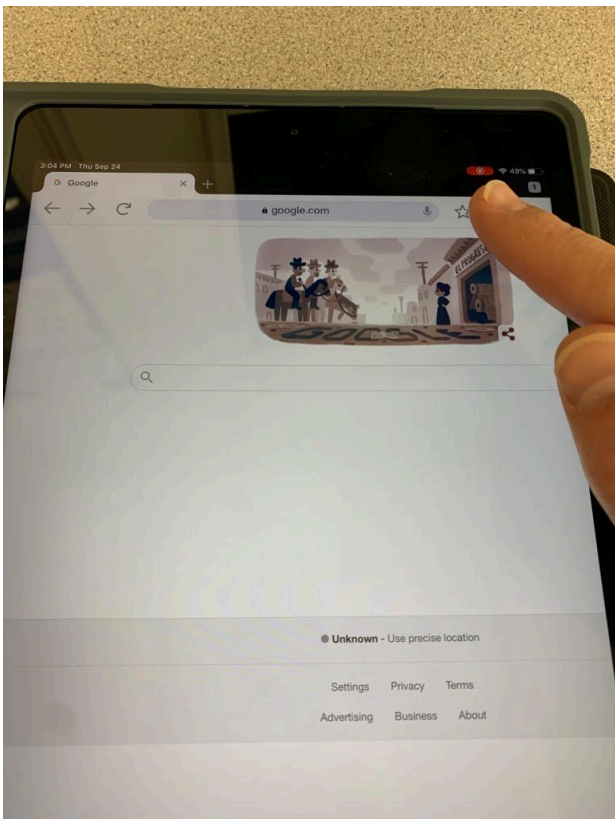

4. Touch outside of the window or the “Home” button to start sharing.

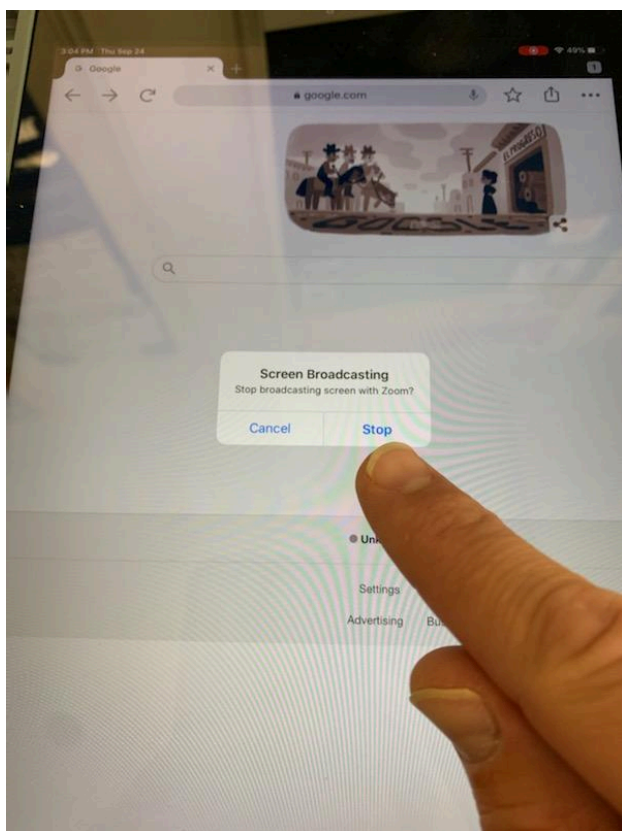

5. Open the app that you are sharing.

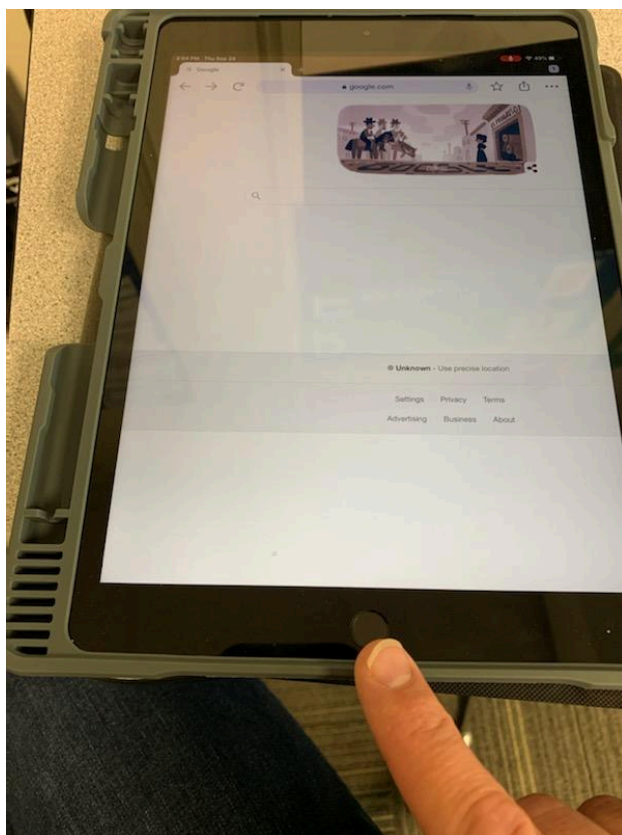

6. When done, touch the red “Record” button at the top of your iPad.

7. Touch “Stop,” to quit sharing on Zoom.

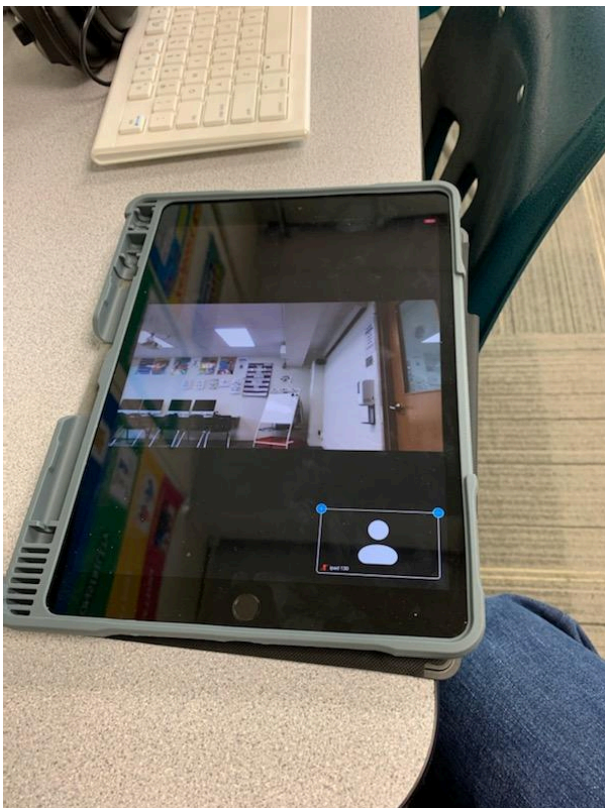

8. Push the “Home” button.

9. Touch the “Zoom” app to go back.

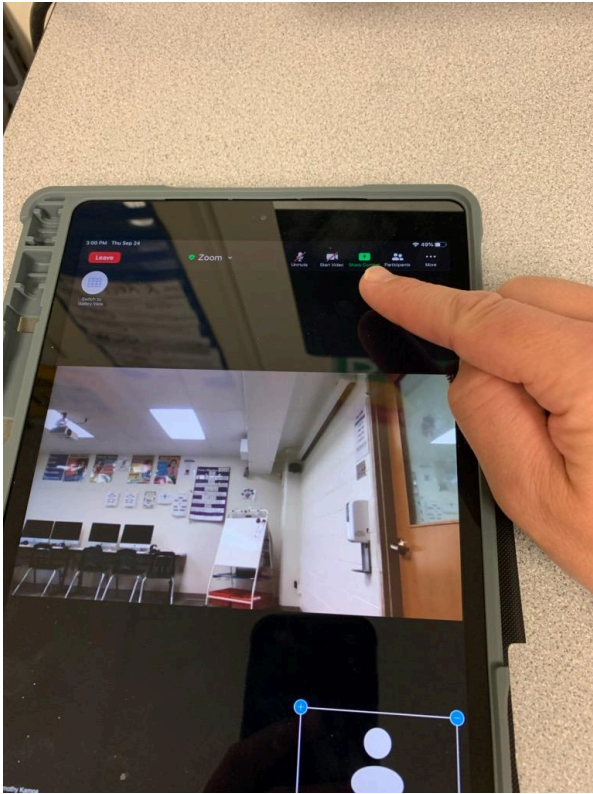

10. You are now back on Zoom.

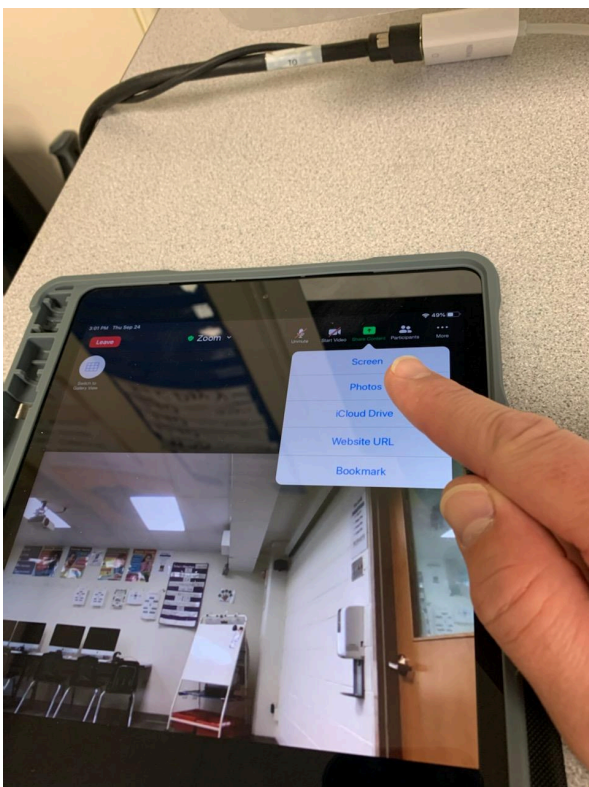

Cómo Compartir su Pantalla en un iPad Mientras está en Zoom

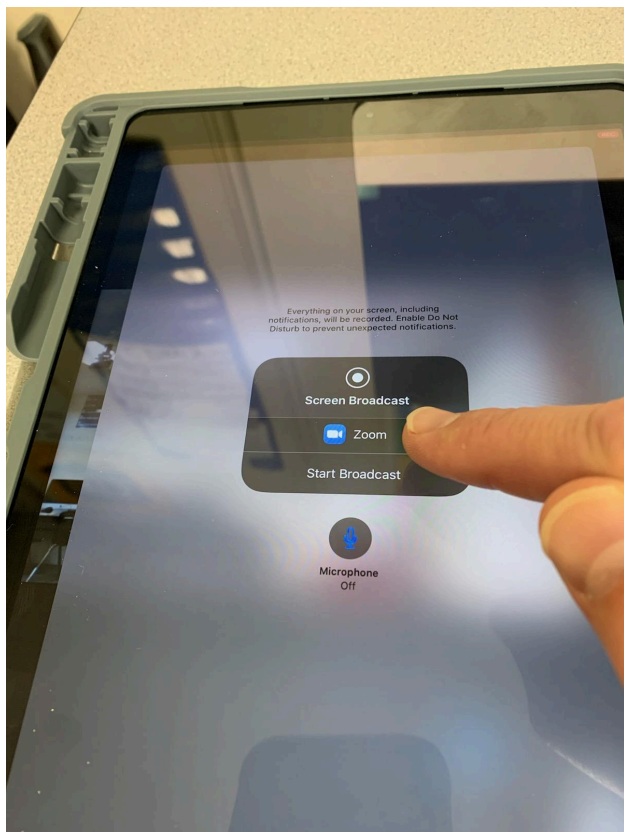

1. Toque la esquina superior derecha para mostrar el botón verde "Compartir" y tóquelo.

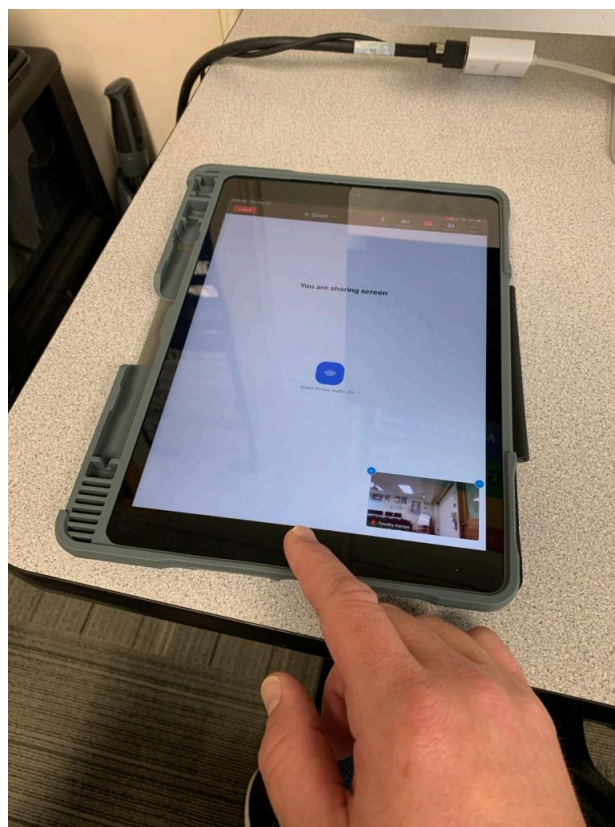

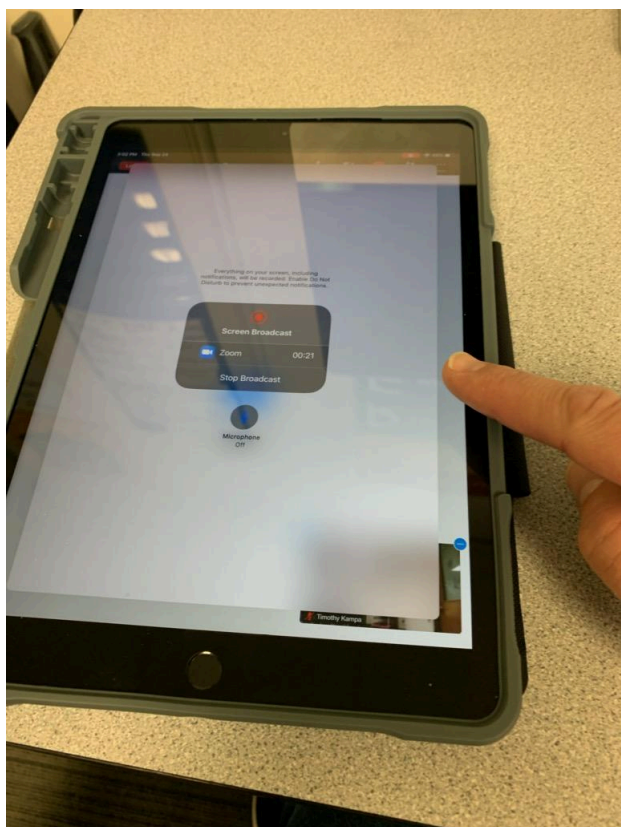

2. Toque "Pantalla" o lo que esté compartiendo en su iPad.

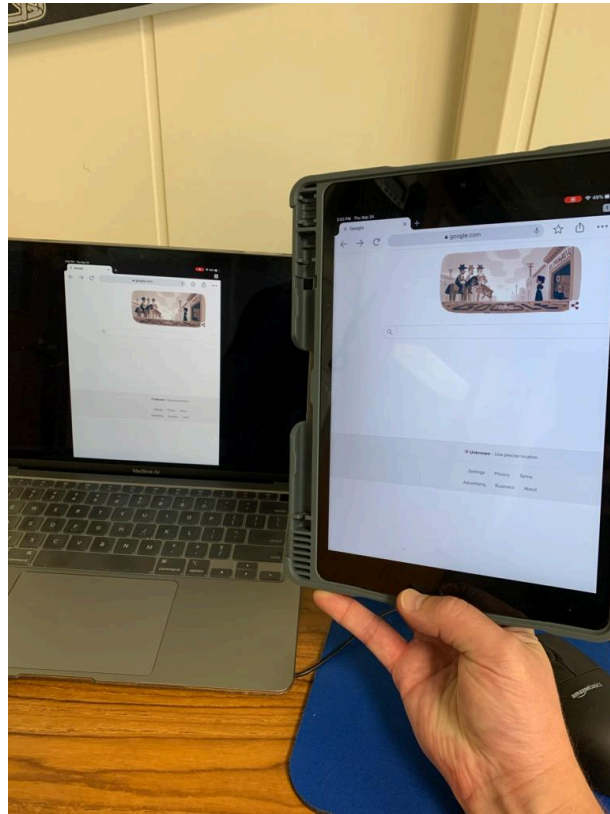

3. Toque la opción "Zoom".

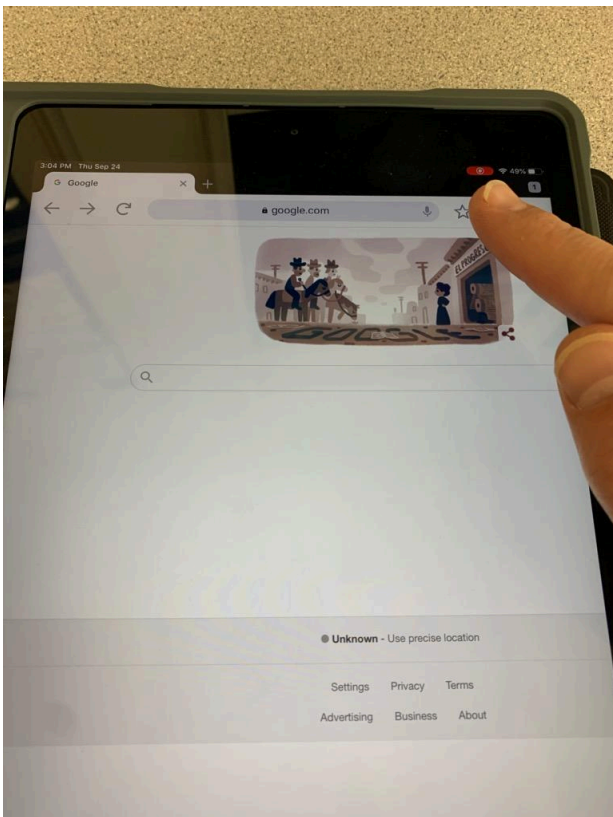

4. Toque fuera de la ventana o el botón "Inicio" para comenzar a compartir.

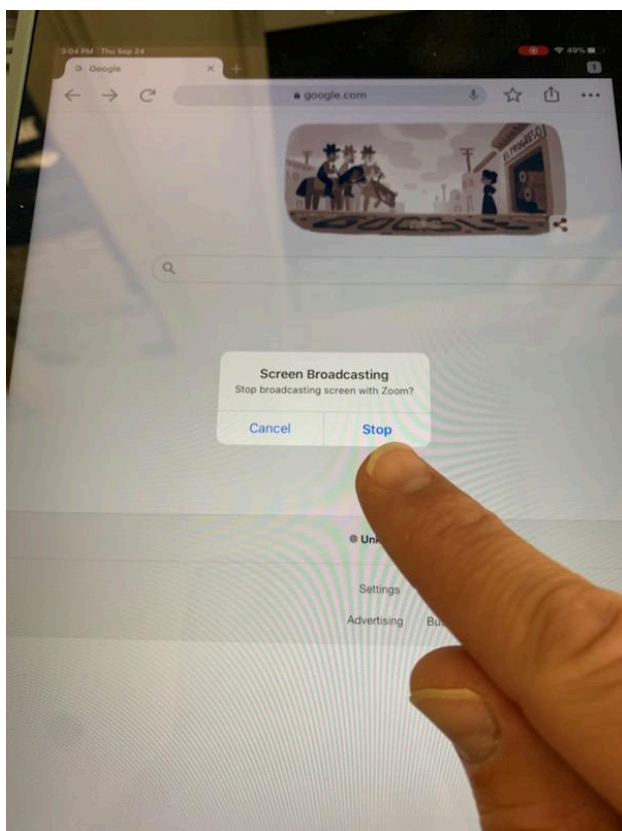

5. Abra la aplicación que está compartiendo.

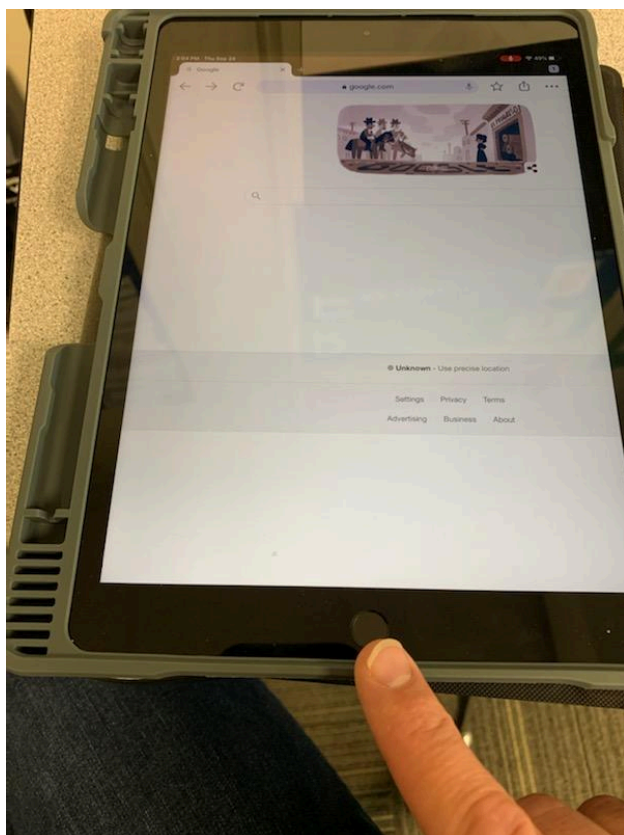

6. Cuando termine, toque el botón rojo "Grabar" en la parte superior de su iPad.

7. Toque "Detener" para dejar de compartir en Zoom.

8. Presione el botón "Inicio".

9. Toque la aplicación "Zoom" para volver.

10. Ahora estás de vuelta en Zoom.
