

TECHIECO SOLUTIONS PRIVATE LIMITED

Introduction

This Privacy Policy outlines how TE Companion Hub collects, uses, discloses, and protects your personal information. By using our app, you consent to the practices described in this policy.

Information We Collect

- **Personal Information:** We may collect personal information such as your name, email address, and device information when you voluntarily provide it to us, for example, when creating an account, contacting our support, or participating in our services.
- **Usage Data:** We may collect non-personal information about your use of the app, such as your IP address, device type, operating system, app usage, and preferences.
- **Location Information:** We may collect location information if you grant us permission to access your device's location services.

How We Use Your Information

- **Providing Services:** We use your information to provide and improve our app, process payments, and communicate with you.
- **Personalization:** We may use your information to personalize your app experience, such as recommending content or features.
- **Analytics:** We use usage data to analyze app performance, identify trends, and improve our services.
- **Marketing:** With your consent, we may use your information to send you marketing communications about our products and services.

Information Sharing

We may share your information with:

- **Third-party service providers:** We may use third-party service providers to help us operate our app, such as payment processors, analytics providers, and marketing platforms.
- **Legal requirements:** We may disclose your information to comply with legal obligations or to protect our rights.
- **Business transfers:** If we are involved in a merger, acquisition, or sale of assets, your information may be transferred to the new owner.

Data Security

We implement reasonable security measures to protect your personal information from unauthorized access, disclosure, alteration, and destruction. However, no method of transmission or storage is completely secure, and we cannot guarantee absolute security.
