

Privacy Policy for Easy Math Game

Effective Date: 28.09.2024

This Privacy Policy describes how *Easy Math Game* ("we," "us," or "our") collects, uses, and shares your personal information when you use our mobile application, *Easy Math Game* (the "App").

Information We Collect

1.1 Personal Information

We do not collect any personally identifiable information (PII) through the App. We respect your privacy and aim to minimize the collection of personal information.

1.2 Non-Personal Information

We may collect non-personal information automatically as you use the App. This information may include device details (such as your device model, operating system version, unique device identifiers), usage information (such as your interactions with the App, features accessed, and actions taken), and log information (such as IP address, access times, and pages viewed).

Use of Collected Information

2.1 Personal Information

Since we do not collect any personal information, we do not use it for any purpose.

2.2 Non-Personal Information

We may use non-personal information collected through the App to improve its functionality, provide personalized content, analyze usage patterns, and enhance the user experience. This information may also be used for troubleshooting, data analysis, and research purposes.

Third-Party Services and Analytics

3.1 Advertisements

The App may display advertisements served by third-party ad networks, such as Google AdMob. These third-party ad networks may collect non-personal information through their own technologies, such as cookies or mobile advertising identifiers, to provide personalized advertisements and measure their effectiveness. We do not have control over the information collected by these third-party ad networks.

3.2 Analytics Services

We may use third-party analytics services, such as Google Analytics, to collect, analyze, and report non-personal information about your interactions with the App. These analytics services help us understand how users engage with the App and improve its performance and features.

Data Retention

We retain non-personal information collected through the App for as long as necessary to fulfill the purposes outlined in this Privacy Policy. However, please note that we do not store any personal information.

Children's Privacy

The App is not intended for use by individuals under the age of 13. We do not knowingly collect any personal information from children under 13. If you believe we may have collected information from a child under 13, please contact us immediately.

Security

We take reasonable measures to protect the information collected through the App from unauthorized access, disclosure, alteration, or destruction. However, please be aware that no security measures are perfect or impenetrable.

Changes to this Privacy Policy

We may update this Privacy Policy from time to time. The revised policy will be effective as of the updated date mentioned at the beginning of this Privacy Policy. We encourage you to review this Privacy Policy periodically for any changes.
