Holladay City: Natalie Bradley

Dates of meetings: November 19, 2026. December 17, 2026. January 21, 2027. February 18, 2027. March 18, 2027. April 15, 2027. May 20, 2027

## 1. Welcome and Approval of Previous Minutes

- Welcome council members.
- Review and approve previous meeting minutes.

## 2. School Safety Update

### Security Fencing Project

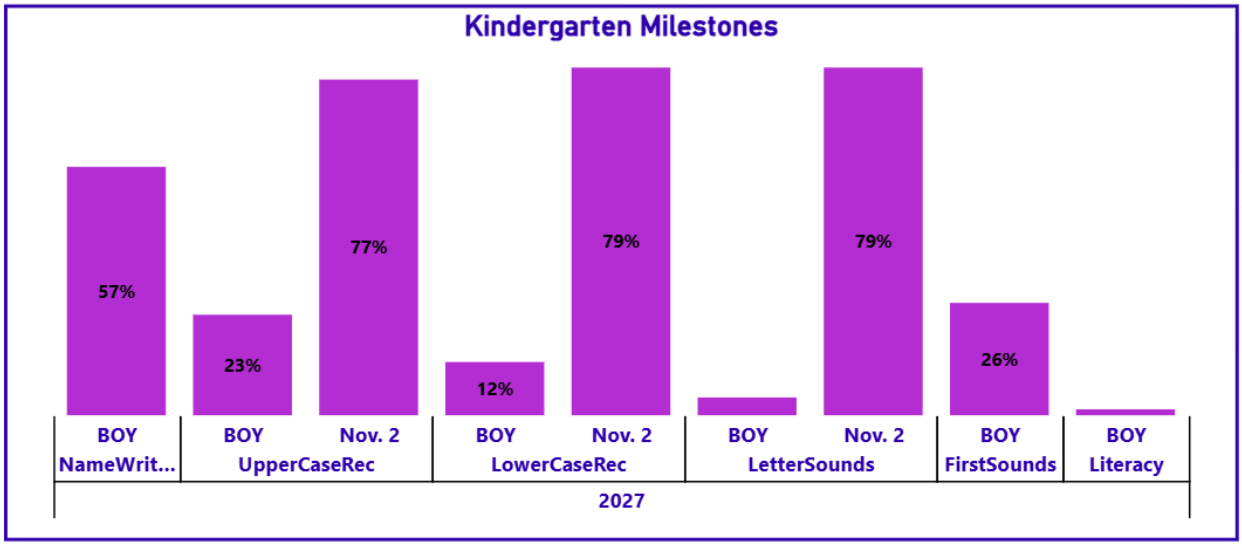

- No new updates at this time. Update now from Tuesday 11/17/26
    - We are on the next group to get the fencing done- no exact date
    - The fence will enclose our north field next to the bus gated exit

## 3. Student Achievement Data

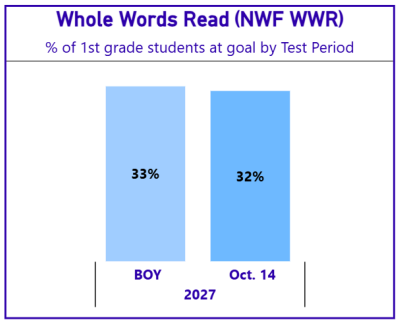

### Kindergarten, 1st Grade, and 2nd Grade Milestone Data

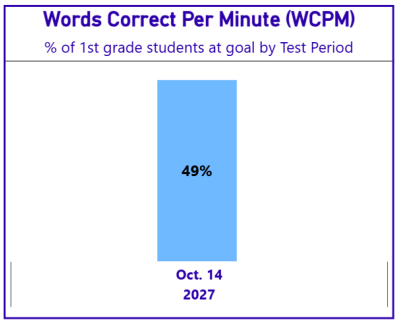

- Review current literacy milestone data.
- Identify areas of student growth and areas needing additional support.
- Discuss academic priorities based on student performance.

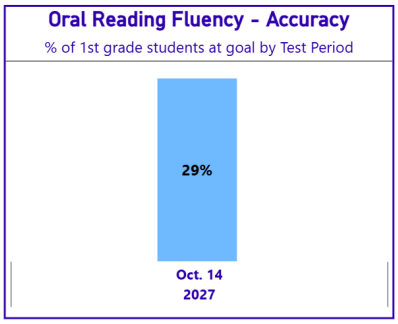

Kindergarten

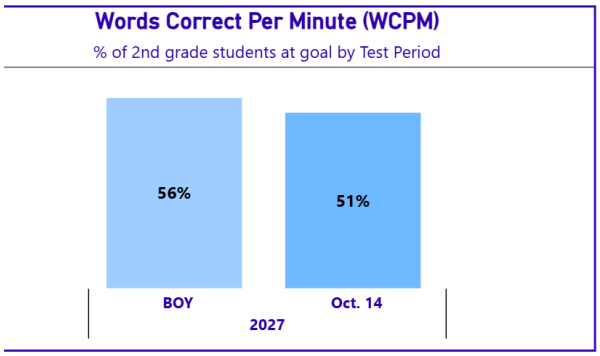

1st

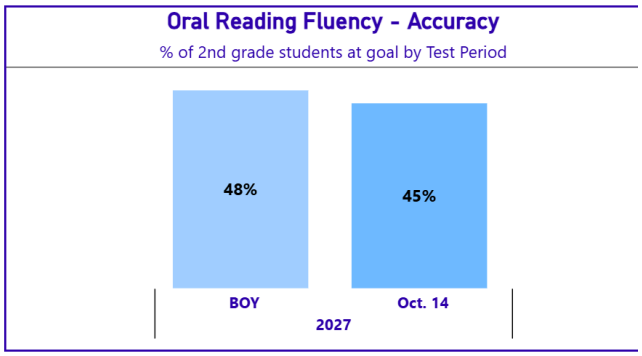

2nd

## 4. English Language Learners (ML/ELL) Improvement Plan

- Review Oakwood's distinction status for multilingual learners.
- Discuss the accountability exit target of 34.67% of Student Accountability Points.

- Review our academic improvement strategies:
    - Tier 1 classroom instruction.
    - Teacher-led small-group instruction.
    - Weekly paraeducator interventions.
    - Flashlight 360 and Tabletop instructional resources.
    - WIDA assessment preparation and progress monitoring.
- Discuss additional resources that could accelerate student growth.

## 5. School LAND Trust Funding — Council Discussion

**Purpose:** Explore how School LAND Trust funding can best support Oakwood's academic priorities and improve student achievement.

### Review of State Guidelines

School LAND Trust funding must directly support student academic achievement through data-driven, measurable goals.

### Potential Funding Opportunities

The council is invited to consider a variety of options, including but not limited to:

- **Additional Teacher FTE:** Reduce class sizes, support small groups, or provide academic interventions. Current estimated cost for 0.5 FTE: $40,000.
- **Social Worker or Counselor:** Address barriers to academic learning with measurable academic outcomes. Estimated salary range: $40,000–80,000. 1 additional day around $10,000
- **Paraeducators:** Support general education instruction, literacy and math interventions, and multilingual learners.
- **Academic Interventionists or Tutors:** Provide additional targeted instruction.
- **Before- or After-School Academic Programs:** Extend learning opportunities for students needing additional support.
- **Instructional Materials:** Literacy, math, and language development resources.
- **Educational Technology:** Academic software, instructional subscriptions, and student learning tools.
- **Professional Development and Coaching:** Strengthen evidence-based instruction and teacher effectiveness.
- **Other Council Suggestions:** Additional ideas that align with student academic needs and state funding guidelines.
