

# PFC Pfall Cup - Tournament Rules

## Team and Spectator Behavior

All players, coaches and spectators are expected to show good sportsmanship at all times.

Failure to do so will lead to the disqualification of the team from the tournament with no discount given.

Coaches are responsible for the conduct of their team and supporters. Spectators, players, and team staff involved in any physical or verbal abuse towards anyone including: tournament staff, opponents, and especially toward referees, will be ejected from the tournament and their team disqualified.

## ID Cards

All Coaches and players must have approved, laminated ID cards from the team's association, including a picture. *Any exceptions to the player card requirement must be approved by the tournament director.*

## Players

A player can play with up to two teams as long as the second team is a different age group than the player's primary team and he/she must be written in on the roster of the second team and noted that the primary team is in the event. Players can only play in their division or age group or in an older age group. Teams that have guest players or club pass players that are rostered regularly to a higher division league than their team will automatically be placed in the highest competition level for their age group.

## Coaches/Rosters/Size of Teams

Each team's final roster signed by their association registrar (including guest players written in on the bottom) must be submitted online and will be verified prior to the first game played.

Coaches should have a copy available at each game. A max of 3 coaches and 1 manager will be allowed on the roster and on the sideline. A guest coach not listed on the roster may be used if approved by the tournament director and only in the event of a team/coaching conflict or other conflict outside of ejection from a game. If the coach listed on the roster is removed from the game by the referee either the manager becomes the coach or the game is forfeit and completed at that point.

- Maximum roster size for 3v3 is six (6) players. Each team is allowed Two (2) guest players.
- Maximum roster size for 4v4 is eight (8) players. Each team is allowed Two (2) guest players.
- Maximum roster size for 5v5 is ten (10) players. Each team is allowed Two (2) guest players.
- Maximum roster size for 7v7 is twelve (12) players. Each team is allowed Three (3) guest players.
- Maximum roster size for 9v9 is sixteen (16) players. Each team is allowed Four (4) guest players.
- Maximum roster size for 11v11 is eighteen (18) players. Each team is allowed Five (5) guest players.

## Age Brackets/Competitive Levels/Number of Games

Single age brackets and formats will be formed if the number of accepted applicants supports this grouping.

**If it is not possible to group teams into individual age brackets, age groups may be combined.**

We will offer at least two competitive levels for each age group if the number of teams supports this grouping. Teams will be asked to choose their competitive level based on their Fall season

record, the experience level of their players and the ages of the players on their teams. Bracket assignment is ultimately the decision of the tournament director.

Each team is guaranteed to play at least three (3) games. Depending on the number of teams in the age group bracket, only the top scoring teams will advance to the finals.

If any games are canceled, it is up to the coaches of the teams to check with the Tournament Director for rescheduling information. Games shall be considered complete if one half of the game has elapsed, the score at the stoppage of play will be the final score. If one half has not elapsed and the game is stopped, the game must be rescheduled if it affects the outcome of the tournament and if weather and field availability permit. The Tournament Director shall have the ultimate authority in determining whether or not the fields are playable. Please check the tournament website at [paysl.org/fields](http://paysl.org/fields) for information and weather updates. The Tournament Director reserves the right to readjust game length times or to change fields.

## Rules of Play

### 4v4 Matches

- Throw-ins, corner kicks, goal kicks
- No offsides
- For a goal to be scored all players from the team must be in the attacking half of the field
- For goal kicks opposition players must retreat past the midfield line until the ball has been touched by a 2nd player or crosses the midfield line
- All free kicks are “indirect”

### 5v5 Matches

- Same as 4v4 matches, with the addition of goalkeepers
- All players are NOT required to be on the attacking half of the field for a goal to be counted

### 7v7 Matches

- Playing with the build-out line
- Offsides are marked at the build-out line (not at midfield)
- Restart play at Goal kicks and when the Goalkeeper has the ball in his/hers hands:
  - All opponent players must retread behind the BOL
  - Once the ball has been played by the goalkeeper, the player receiving the ball must touch it before the opponents are allowed to cross the BOL
  - In case the ball crosses the BOL it is in play.
  - Note: The referee is not required to wait for the attacking team to retreat. This rule is in place as a protection for the team to build out of the back. If the goalkeeper wants to quickly counter attack and not wait for the retreat, then this rule is basically mute on that play and it's just a live ball. This rule applies when the goalkeeper wants to let the other team retreat and then play out to a defender.
- The goalie can not punt the ball

## Laws of the Game

FIFA laws shall apply as modified by USYSA and STYSA, except as noted on this document.
