Anyone interested in joining the Spartan Cares Club, please email Mrs. Deb Cronin to request access to our Google classroom. Spartan Cares is a group of students interested in doing community service within the community. We visit the Arbors weekly and will meet in 2 weeks to brainstorm other ideas students would like to implement this year. All are welcome.

The Seal of Biliteracy is an award to graduating seniors who demonstrate proficiency in English and a partner language. On Tuesday, October 2nd there will be an informational meeting during FLEX to explain how you can obtain the Seal of Biliteracy. This opportunity is for seniors, but interested underclassmen are welcome to come and learn more about the program. If you have any questions please contact Prof Hech at [khechenbleikner@stonehamschools.org](mailto:khechenbleikner@stonehamschools.org)

## Guidance News

On October 1st, Curry College will host the annual 'Navigating the College Search for Students With Learning Differences' Workshop on campus from 6:00-7:30pm.

By attending 'Navigating the College Search,' students and families will receive critical information to support their college search process as they pursue institutions with the proper academic support to help them succeed. Although our faculty and staff are excited to highlight some key offerings of [Curry's Program for Advancement of Learning \(PAL\)](#), the workshop aims to support student's college search process as a whole - not only their consideration of Curry College.

Students may register for the workshop [here](#).
