

Thank you for considering this opportunity to share your memorable lived experience moment when you collaborated on a multi-stakeholder team for healthcare research or healthcare system transformation.

- 1. Please scroll down and find a blank template in this document.**
- 2. Please type your responses to each of the prompts right in the colored boxes that are appropriate for the details of your memorable moment. If you have details that don't seem to match one of the prompts please type them in any blank space on the page.**
- 3. Please do NOT share any personal identifying factors (names or locations) about you or anyone else who was involved in your experience no matter whether it was a positive or a negative experience.**
- 4. Please be sure to respond to the**

Shared Lived Experience

During your experience working on a multi-stakeholder team, what memorable moment had a significant impact on you? (positively or negatively) Please describe the context and other details about this moment that had a significant impact on you.

What was happening when you experienced this memorable moment?

What was said?

What was done?

What worked well?

What could have been done differently?

How did this moment make you feel?

What lasting impact did it have on you?

What would you like other multi-stakeholder teams to remember or learn from your experience?

Group Learning

What do others who listen/view to this lived experience want future members of multi-stakeholder research teams to remember or learn from (name's) experience?

Shared Lived Experience
