The After Party:
Towards a Better
Christian Politics

Goal of Group & Topic:

- Description: A brief video and a conversation
- Goals: Learning how to model Christian virtues in a divided and bitter world.
- This group is part of a national initiative among Jesus' disciples to confront toxic polarization in our nation and heal our broken politics. Our example is Jesus—a leader who refused to be defined by the politics of his day. An introduction to the curriculum we will use can be found at the following:
